COMPANY PROFILE

Dal 1985 nel mondo dell'arredamento per l'ufficio la ditta ARTECO si distingue per i suoi prodotti di qualità e funzionalità, per l'immediatezza dei servizi e per la disponibilità nella realizzazione dell'arredo. Arteco ha avuto in questi anni la capacità di prevedere le esigenze del mercato: ne deriva l'offerta di prodotti dal design innovativo con modullistica lineare e pratica che hanno portato all'affermazione e sviluppo dell'azienda. Scegliendo di rimanere di medie dimensioni ha potuto essere maggiormente duttile ed elastica e forte di questo ha sviluppato recentemente anche una produzione nelle varie tipologie di legno e cristallo, l'alluminio, la pelle, le laccature con la cura e l'attenzione artigianale che distingue il MADE IN ITALY. Sono così punti di forza i tavoli riunione, le scrivanie, i contenitori che si possono creare secondo le più svariate richieste. Il futuro dell'ARTECO sarà quindi il risultato del crogiolo della sua esperienza con il suo ostinato impegno nel proporre prodotti che segnano il tempo.

Depuis 1985 dans le monde du mobilier de bureau l'entreprise ARTECO se distingue par ses produits de qualité et de fonctionnalité, pour la promptitude des services et la disponibilité dans la réalisation de l'ameublement. ARTECO a eu en ces dernières années, la capacité d'anticiper les besoins du marché : il s'ensuit l'offre de produits avec une conception innovatrice avec formes linéaires et pratiques qui ont conduit au succès et au développement de la société. En choisissant de rester de taille moyenne, ARTECO pourrait être plus flexible et souple. Elle a récemment développé une production dans divers types de bois et de verre, aluminium, cuir et laqués avec le soin et l'attention artisanal qui distingue le "MADE IN ITALY". Donc les points forts sont les tables de réunion, les bureaux, les système de rangement que on peut créer selon les plupart des demandes diverses. L'avenir d'ARTECO est alors le résultat du "creuset" de son expérience avec son engagement tenace d'offrir des produits qui marquent le temps.

С 1985 года в мире мебели Итальянская компания Артеко выделяется своим качеством и функциональностью продукцией, непосредственностью услуг и доступностью на рынке офисной мебели. Артеко уделяет большое внимание высоким требованиям покупателей и следит за быстро меняющимся рынком офисной мебели. В последние годы была разработана продукция инновационного дизайна с линейными практическими формами, которая подняла компанию в лидирующие позиции. Предпочитая оставаться в средних и гибких масштабов, компания уделила большое внимания разработке производства из различных материалов как дерева, стекла, алюминия, кожи, лака, сохраняя традиции к работе с заботой и вниманием итальянских мастеров, чем и отличается знак качества Сделано в Италии. Не последнюю роль в успешном исходе деловой встречи играют переговорные столы и кабинеты руководителя, которые могут быть созданы в соответствии с самыми различными требованиями клиента. Будущее АРТЕКО это создание продукции соответственно требованиям времени используя многолетний опыт в производстве высококачественной продукции.

Since 1985 in the world of the office furnishing the firm ARTECO distinguishes itself for its quality and functionality products, for immediateness of services and availability in realization of furnishing. Arteco in these years has had the ability of expect the requirements of the market: from this come the offer of products of innovative design with linear and practical set of forms that has led the firm towards achievement and development. Choosing a flexible, the company has been able to interpret the request market by developing products of wood and glass -aluminum and steel -with leather and lacquered finishes that represent the care and attention of the typical craft product MADE IN ITALY So meeting tables, desks and cabinet are point of force because they can be created according to the most various requests. ARTECO's future is going to be the result of the melting pot of its experience with its persistent pledge of proposing products that mark the time.

Arteco's mission is to enhance its customers' productivity by creating and producing attractive and functional work environments. In Arteco we create work environments designed for man and his wellbeing, combining instruments such as technological research, Italian design and craft expertise with an industrial productive capacity of low environmental impact. We are aware of being promoters of an evolutionary process involving men and women, increasing their competence in the solution of problems on the basis of real experience, by living daily among the environments we have designed and created.

MISSION

La mission di Arteco è di aumentare la produttività dei suoi clienti progettando e realizzando ambienti di lavoro funzionali e dal design essenziale, facendo leva sulle capacità, i punti di forza e le risorse uniche della nostra diversità.

Creiamo spazi adatti a Voi e al Vostro benessere, combinando insieme al design Italiano, anche la ricerca tecnologica, la professionalità, la competenza e un'industria produttiva a basso impatto ambientale. Vogliamo essere i promotori di un processo evolutivo coinvolgendo uomini e donne, aumentando le loro competenze nella risoluzione dei problemi sulla base delle reali esperienze e vivendo giorno per giorno l'ambiente e gli spazi che abbiamo ideato e costruito.

La mission d'ARTECO est d'augmenter la productivité de ses clients en concevant et en créant des milieux de travail fonctionnel et avec un design essentiel, s'appuyant sur les capacités, les forces et les ressources uniques de notre diversité.

Nous créons des espaces en fonction de vous et votre bien-être, en alliant le design italien, la recherche technologique, le professionnalisme, la compétence et une usine productive à faible impact environnemental. Nous voulons être les promoteurs d'un processus évolutif, impliquant des hommes et des femmes, améliorer leurs compétences en résolution de problèmes sur la base d'expériences réelles, et vivent au jour le jour, l'environnement et les espaces que nous avons conçu et construit.

Миссия Артеко является повышение удовлетворённости своих клиентов, опираясь на взаимодействия своих сотрудников и созданием благоприятной рабочей атмосферы. Мы создаем условия для Вас и Вашего благополучия, сочетая итальянский дизайн, технологические исследования, профессионализм, опыт и производства с низким воздействием на окружающую среду. Мы хотим способствовать эволюционному процессу потребительского рынка с участием наших сотрудников, повышая их навыки в решениям проблем на основе реального опыта жизни офисной среды и пространства, разрабатывая практическую, удобную и многофункциональную мебель.

PRODUCTION

Arteco combina l'alta qualità dei materiali con un'efficiente organizzazione produttiva. Adotta un sistema di produzione just-in-time e coordina un gruppo di fornitori, permettendo così soluzioni rapide in funzione alle più svariate richieste del cliente. Grazie al suo competitivo Set-Up, l'azienda è in grado di gestire numerose collezioni in una grande varietà di dimensioni e finiture. Arteco si prende cura dei suoi clienti offrendo un'efficiente servizio di assistenza.

ARTECO allie des matériaux de haute qualité avec une organisation productive très efficace. Elle adopte un système de production just-in-time et coordonne un groupe de fournisseurs, permettant ainsi solutions rapides selon les exigences des clients. Grâce à son set-up concurrentiel, l'entreprise est capable de gérer de nombreuses collections dans une variété de tailles et finitions. ARTECO se prend soin de ses clients en offrant un service d'assistance efficace

Arteco combines high-quality materials with efficient production organization. The company adopts a just-in-time production system and coordinates a group of suppliers, enabling it to provide quick solutions to customer requests, including the most varied.

Thanks to this highly competitive set-up, Arteco is able to handle numerous collections in a variety of sizes and finishes. Besides offering quick production times, high-quality packaging is essential to guarantee impeccable products for end consumers. Arteco assists its customers by supplying a highly professional design consultation service free of charge.

Артеко нашел способ сочетания закупки высококачественных материалов и организацией производством эффективным методом Just-in-time. Работая этим методом Артеко сотрудничает с группой поставщиков, что позволяет принимать быстрые решения с соответствии с различными требованиями заказчика. Благодаря своей лидирующей позиции на рынке, компания имеет возможность создавать многочисленные коллекции в различных размеров и отделок. Артеко заботится о своих клиентах, предоставляя обслуживание каждому клиенту индивидуально.

ARTECO has always focused its efforts on developing ecologically friendly products and activities while maintaining a high level of customer satisfaction. We believe that a sustainable business can work for the environment, the consumer and the employee. Nowadays the consumer is increasingly aware of the importance of preserving our natural heritage and is increasingly willing to take an active role in protecting the environment.

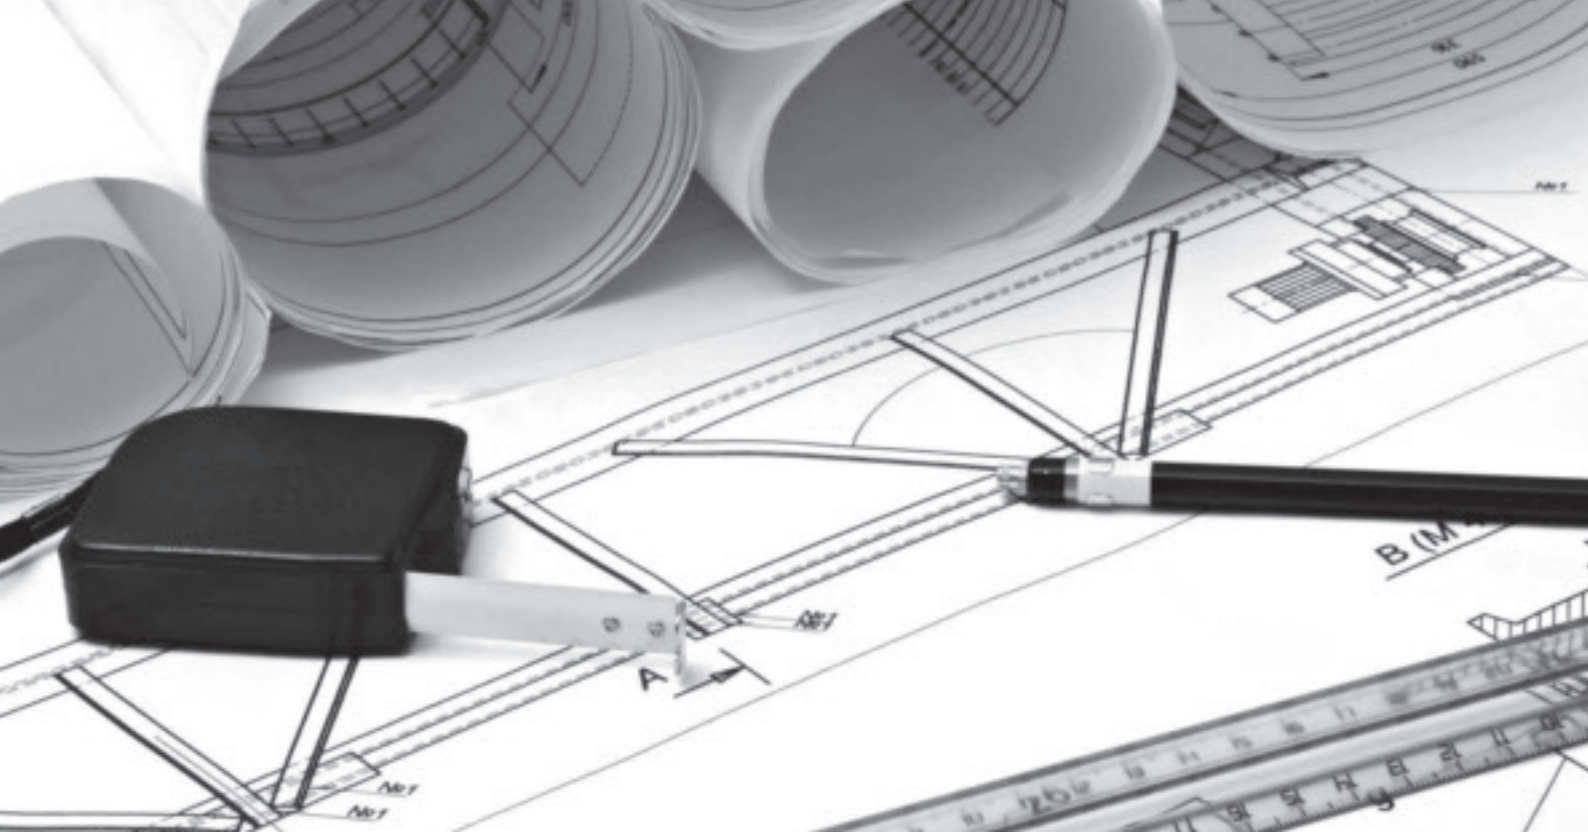

ENVIRONMENT

ARTECO ha sempre concentrato i suoi sforzi nello sviluppo di prodotti e attività rispettosi dell'ambiente, mantenendo un alto livello di soddisfazione del cliente. Crediamo che uno sviluppo sostenibile sia positivo oltre che per l'ambiente anche per i consumatori e i dipendenti. Oggi i consumatori stanno aumentando la loro consapevolezza nell'importanza di preservare il nostro patrimonio naturale, e per questa ragione si curano di accrescere la loro partecipazione nelle attività di protezione dell'ambiente.

ARTECO a toujours concentré ses efforts dans le développement de produits et d'activités respectueuses de l'environnement, maintenant un niveau élevé de satisfaction de la clientèle. Nous croyons que le développement durable est positif ainsi que de l'environnement pour les consommateurs et les employés. Aujourd'hui les consommateurs augmentent leur prise de conscience sur l'importance de la préservation de notre patrimoine naturel et pour cette raison ils se soignent d'accroître leur participation aux activités de protection de l'environnement.

За всю свою деятельность Артеко сосредоточил свои усилия на разработке экологически чистых продуктов и видов деятельности, сохраняя при этом высокий уровень удовлетворенности клиентов. Мы считаем, что устойчивый бизнес может работать на окружающую среду, на потребителя и работника. В настоящее время потребители все больше осознают важность сохранения нашего природного наследия и чаще готовы принять активное участие в защите окружающей среды.

La caratteristica che contraddistingue ARTECO è la personalizzazione degli articoli secondo le esigenze del cliente. Questo è stato reso possibile grazie alla continua rimodernizzazione del design, e dalle nuove tecnologie e materiali che si rendono facilmente adattabili a ciascuna richiesta.

La caractéristique qui distingue ARTECO est la personnalisation des éléments selon les exigences du client. Ceci a été rendu possible grâce à la continue re-modernisation du Design, aux nouvelles technologies et aux matériaux qui sont facilement applicables à chaque demande.

The distinguishing feature of ARTECO is that it has always supplied genuinely customized products with original layouts and a refined selection of available finishes. This goal is achieved thanks to continuously updated design, technologies and materials for the most versatile solutions, which can be easily adapted and altered as required.

Сильной чертой Артеко является персонализация изделия в соответствии с требованиями заказчика. Это стало возможным благодаря постоянной модернизации дизайна, новых технологии и материалов, которые делают его легко адаптируемой к каждому запросу.

RECEPTION PROGRAM IS MADE UP FROM ELEMENTS WITH GLASS AND LED LIGHTS WHICH ALLOW DIFFERENT CONFIGURATIONS OF FURNITURE IN ACCORDANCE WITH THE REQUIREMENTS OF SPACE. THE QUALITY, ACCURACY AND FINISHING MATERIALS, SATISFY ALL REQUIREMENTS OF THE OPERATORS.

IL PROGRAMMA RECEPTION FORMATO DA ELEMENTI CON VETRO E LUCI LED PERMETTE DIFFERENTI CONFIGURAZIONI D'ARREDO A SECONDA DELLE ESIGENZE DI SPAZIALITA'. LA QUALITA', L'ACCURATEZZA E LE FINITURE DEI MATERIALI IMPIEGATI, SODDISFANO TUTTE LE ESIGENZE DEGLI OPERATORI.

I riflessi del cristallo, uniti alla corposità della luce a led, creano atmosfere suggestive nell'area di accoglienza.

Reflections of glass, combined with fullness of led light, create suggestive atmospheres in the reception area.

L'unione degli elementi a 45° esalta linee minimaliste e autentiche evidenziando l'emozione dei materiali.

45° joint elements enhances minimalist and authentic lines, highlighting the emotion of materials.

La completezza nella configurazione dei vari elementi, permette di creare soluzioni ad hoc per ogni esigenza di accoglienza.

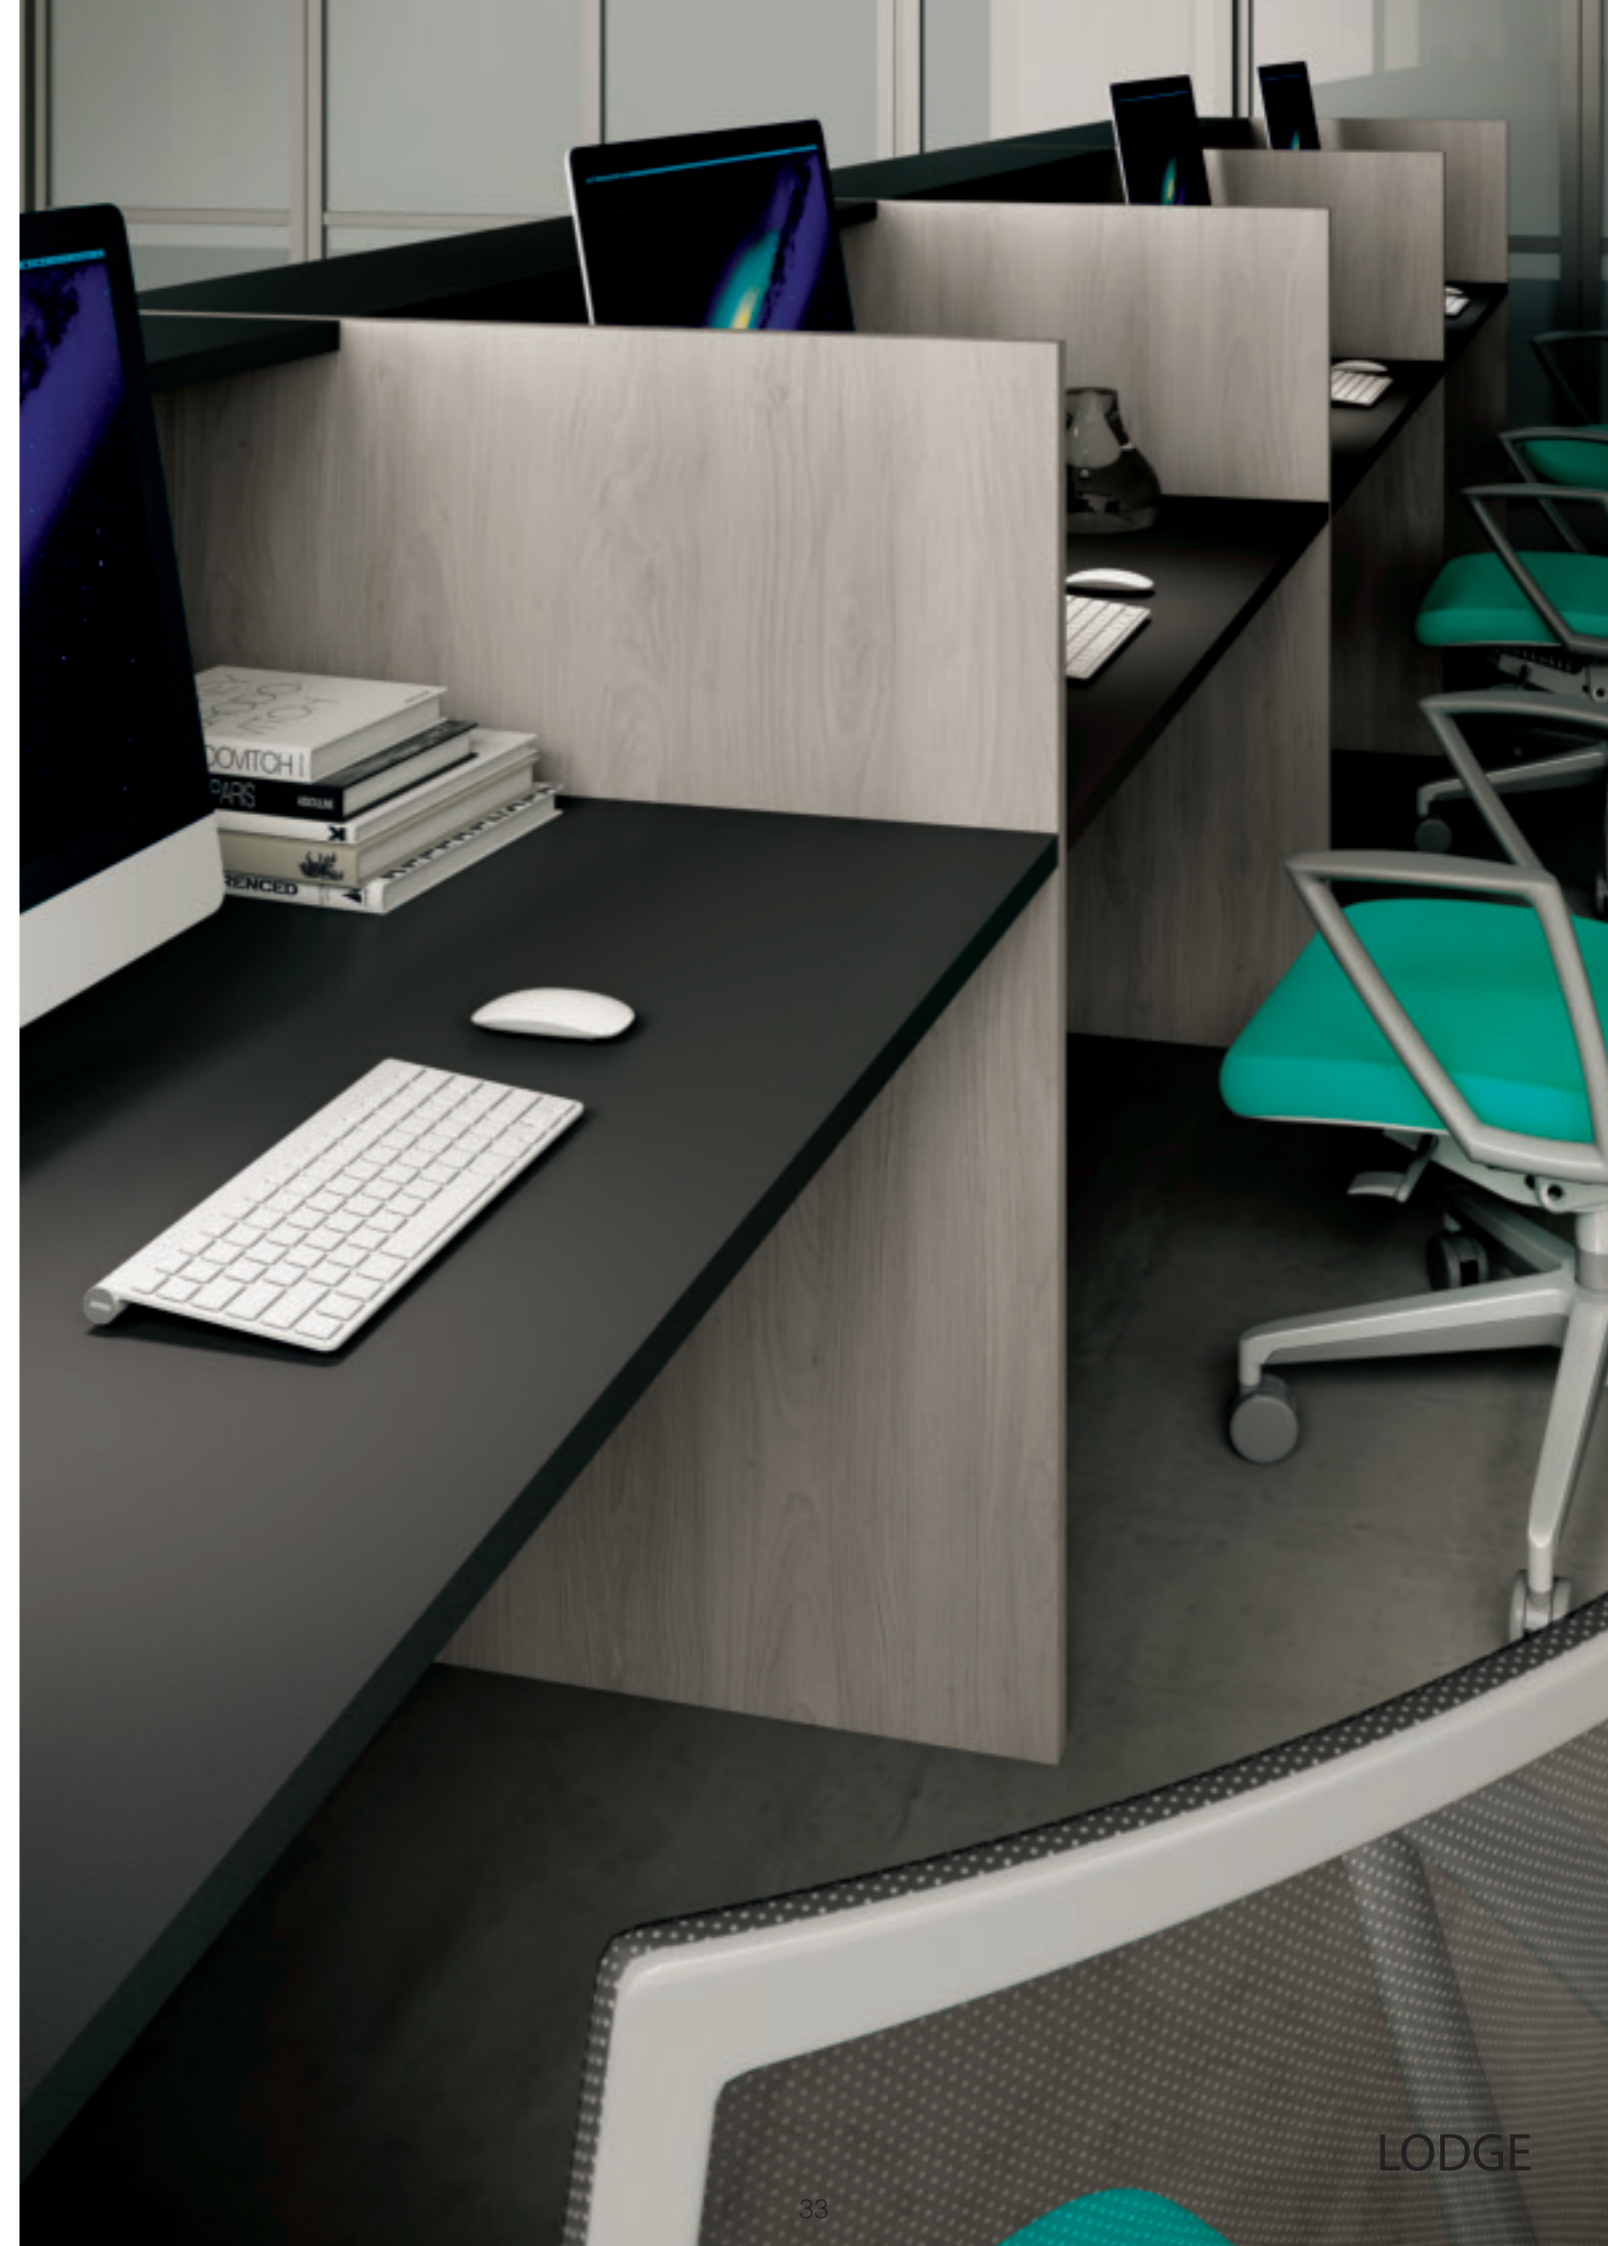

Entirity's configuration of various elements allows customized creations of solutions for every kind of hospitality.

La divisione degli spazi di lavoro permette maggior privacy all'interno dell'area reception.

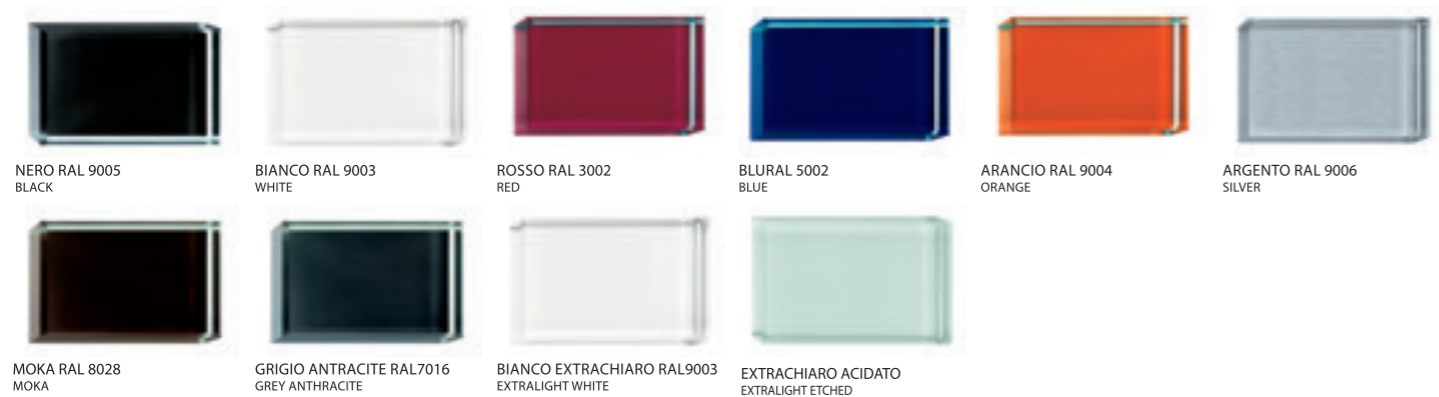

Division of work space allows greater privacy in the reception area.

Design innovativo per rispondere alle richieste di postazioni operative multifunzionali dalle varie composizioni , manager office moderni ed efficienti con soluzioni per un mercato globale ed integrato.

Innovative design for responding to requests of the various multifunctional compositions of workstations, office manager with modern and efficient solutions for a global and integrated market.

Il sistema Galaxy prevede elementi modulari che permettono un'ampia aggregabilità nelle molteplici tipologie di lavoro.

Galaxy system provides modular elements that allow aggregation in a wide variety of types of work.

Top access con sportello a chiusura ammortizzata e cablaggio integrato.

Top access with soft closing and integrate pwer socket.

TAB È UN SISTEMA INTEGRATO PER L'ARREDAMENTO DI UFFICI OPERATIVI CHE È STATO PROGETTATO NELL'OTTICA DI UN LARGO IMPIEGO, PENSANDO ALLA GRANDE FUNZIONALITÀ UNITA SEMPRE ALLA NECESSARIA GRADEVOLEZZA ESTETICA: L'INSIEME DELLE SUE CARATTERISTICHE PRINCIPALI LO CLASSIFICANO NATURALMENTE IN UNA POSIZIONE DI ESTREMA FLESSIBILITÀ E CONFIGURAZIONE PERSONALIZZATA. GRAZIE AI PROPRI ELEMENTI COORDINABILI E MODULARI, TAB È ADATTO A RISOLVERE QUALSIASI ESIGENZA DI SPAZIO.

TUTTE LE FINITURE DI NOBILITATO SP. 25 MM SONO AD ALTA RESISTENZA CONTRO I GRAFFI E L'USURA.

LE SCRIVANIE DEL SISTEMA TAB SONO DOTATE DI TRAVI TELESCOPICHE PASSACAVI CHE PERMETTONO DI OTTENERE UN OTTIMO RISULTATO ESTETICO E FUNZIONALE.

LE GAMBE METALLICHE SONO ISPEZIONABILI GRAZIE AD UN CARTER ESTERNO FACILMENTE RIMOVIBILE; LE SCRIVANIE SONO ANCHE ELEVABILI IN ALTEZZA (68/82 CM), RENDENDO PIÙ RAZIONALE E MENO FATICOLO IL LAVORO DEGLI OPERATORI.

TAB IS AN INTEGRATED SYSTEM FOR THE FURNISHING OF OPERATING OFFICES THAT WAS DESIGNED WITH A VIEW TO A LARGE EMPLOYMENT, THINKING OF THE GREAT FUNCTIONALITY COMBINED WITH ATTRACTIVE APPEARANCE ALWAYS NECESSARY.

THANKS TO ITS MODULAR AND COORDINATE ELEMENTS, TAB IS SUITABLE TO SOLVE ANY REQUIREMENT OF SPACE.

ALL MELAMINE FINISHES OF 30 MM TH. HAVE HIGH RESISTANCE AGAINST SCRATCHES AND WEAR.

TAB DESKS SYSTEM ARE FURNISHED WITH TELESCOPIC PASSAGE-CABLES BEAMS WHICH COULD ACHIEVE A GOOD AESTHETIC AND FUNCTIONAL RESULT.

THE METALLIC LEGS COULD BE INSPECTED THROUGH AN OUTER CASING EASILY REMOVABLE; ALL DESKS ARE ADJUSTABLE HEIGHT (68/82 CM), MAKING THE WORK OF OPERATORS MORE FUNCTIONAL AND LESS HARD.

MODULI CONTENITIVI DESTINATI ALLA CUSTODIA DI OGGETTI E DOCUMENTI PERSONALI CARATTERIZZATI DA UNA MOLTEPLICE MODULARITÀ E UNA VASTA GAMMA DI FINITURE. DISPONIBILI CON DIVERSE TIPOLOGIE DI SERRATURE AL FINE DI GARANTIRE LA PRIVACY.

CONTAINMENT MODULES FOR STORAGE PERSONAL OBJECTS AND DOCUMENTS CHARACTERIZED BY A MULTIPLE MODULARITY AND WIDE RANGE OF FINISHES. AVAILABLE WITH DIFFERENT TYPES OF LOCKS IN ORDER TO GUARANTEE PRIVACY.

RECEPTION

IL PROGRAMMA RECEPTION FORMATO DA ELEMENTI CURVI E LINEARI PERMETTE DIFFERENTI CONFIGURAZIONI D'ARREDO A SECONDA DELLE ESIGENZE DI SPAZIALITÀ. LA QUALITÀ, L'ACCURATEZZA E LE FINITURE DEI MATERIALI IMPIEGATI, SODDISFANO TUTTE LE ESIGENZE DEGLI OPERATORI.

RECEPTION PROGRAM IS MADE UP FROM LINEAR AND CURVED ELEMENTS WHICH ALLOW DIFFERENT CONFIGURATIONS OF FURNITURE IN ACCORDANCE WITH THE REQUIREMENTS OF SPACE. THE QUALITY, ACCURACY AND FINISHING MATERIALS, SATISFY ALL REQUIREMENTS OF THE OPERATORS.

Riparabilità termica dei micrografi superficiali
Thermal healing of superficial microscratches
Réparation thermique des micro-rayures superficielles
Thermische Bearbeitung von oberflächlichen Kratzern
Reparabilidad térmica de microarañazos superficiales

Morbidezza al tatto
Soft touch
Toucher soyeux
Weicher Touch
Suave al tacto

Resistenza al calore secco
Resistance to dry eat
Résistance à la chaleur sèche
Resistent gegen trockene Hitze
Resistencia al calor seco

Bassa riflessione della luce, superficie estremamente opaca
Low light reflectivity, extremely matt surface
Faible réflectivité, surface extrêmement mate
Geringe Lichtreflexion, extrem matte Oberfläche
Reflectancia mínima de la luz, superficie extremadamente mate

Anti-impronta
Anti-fingerprint
Aucune trace de doigts
Keine Fingerabdrücke
Anti-huella digital

Resistenza ai graffi e all'abrasione
Resistance to scratches and abrasion
Résistance aux rayures et à l'abrasion
Resisten gegen Kratzer und Abrieb
Resistencia a los arañazos y a la abrasion

Alta attività di abbattimento della carica batterica
Enhanced anti-bacterial properties
Propriétés antibactériennes renforcées
Verbesserte antibakterielle Eigenschaften
Propiedad anti-bacterias reforzada

PROGRAMMA MODULARE DI CONTENITORI AD ANTE SCORREVOLI CONTRADDISTINTO DA NUMEROSE ALTEZZE E DA DUE PROFONDITÀ, DAL DESIGN ESSENZIALE, MATERIALI SELEZIONATI E ACCURATO STUDIO DEI PARTICOLARI.

MODULAR PROGRAMME OF SLIDING CABINETS CHARACTERIZED BY DIFFERENT HEIGHTS AND 2 DEPTHS, WITH PITHY DESIGN, REALIZED WITH WELL-SELECTED MATERIALS AND ACCURATE REGARD OF DETAILS.
