BE YOURSELF

A woman with long dark hair, wearing a dark, possibly black, dress, stands under a large, crinkled, transparent plastic sheet. She has her eyes closed and a slight smile, with her hands raised near her chest. The background is dark with several out-of-focus, warm-toned lights creating a bokeh effect. The overall mood is ethereal and artistic.

The image is a composite of two photographs. The top photograph shows a man in a dark sweater standing in a large industrial space with a high ceiling and large windows. In the foreground, a large, clear, faceted crystal object is partially visible. The bottom photograph shows a close-up of a large, textured, and somewhat cloudy crystal object on the left, and three smaller, faceted crystal light fixtures hanging from above on the right, each containing a glowing light bulb. The text "MADE IN ITALY" is centered across the middle of the image.
