MESH Ø 80 cm version

INFORMATION

- In order to improve our partner support service, from September Luceplan will release five “complete” suspension models in the Mesh phase cut and wi-fi range (80cm and 100cm in diameter). The new versions, **with a pre-assembled body and cables**, will be available in 5 different lengths:

CODES

Mesh complete, phase cut version, Ø 80 cm

D86KT081	1D86KT081001	cable lenght 1 m
D86KT082	1D86KT082001	cable lenght 2 m
D86KT083	1D86KT083001	cable lenght 3 m
D86KT084	1D86KT084001	cable lenght 4 m
D86KT085	1D86KT085001	cable lenght 5 m

Mesh complete, wireless version, Ø 80 cm

D86KW081	1D86KW081001	cable lenght 1 m
D86KW082	1D86KW082001	cable lenght 2 m
D86KW083	1D86KW083001	cable lenght 3 m
D86KW084	1D86KW084001	cable lenght 4 m
D86KW085	1D86KW085001	cable lenght 5 m

D86/1	1D860/100000	Kit wireless to be purchased separately
--------------	--------------	--

Note:

Please note that up to **30 cm of extra suspension cable** can be inserted and stored into each ceiling rose. With these new versions in a wide range of lengths, we guarantee a quick and easy installation, **perfect for every consumer or contract need.**

MESH Ø 100 cm version
