Montbel
made in Italy

— Il gusto per
il bello ci appartiene,
ed in tutte le sue
forme.

Il prodotto amplifica
i confini del vissuto,
sposa ambienti di volta
in volta differenti
vestendo i suoi volumi
di colori, superfici
materiche e dettagli
preziosi.

La sedia diventa
protagonista dello
spazio interpretando
un total outfit.

— The taste for
the beautiful belongs
to us, in all its
expressions.

Products amplify the
borders of the past,
engage with new, always
different environments,
while dressing their
volumes with colours,
material for their
surfaces and precious
details.

Chairs become protagonists
of space by portraying
a total outfit.

Dietro di noi. L'unicità.
Un processo magico
di trasformazione
del legno in prodotto.

Behind us. Uniqueness.
A magic process turns
wood into a product.

Dalla tradizione al design.

From tradition to design.

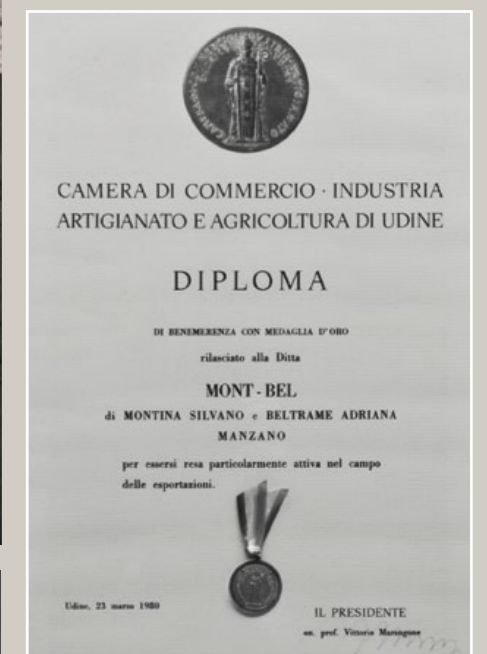

— Da mezzo secolo Montbel riscrive il design e la funzionalità di un oggetto quotidiano, ma non comune: la sedia. Fondata nel 1959 da Silvano Montina l'azienda è cresciuta con il passare degli anni trasformandosi in una delle realtà più importanti del distretto industriale della sedia. La cura del prodotto, il consolidamento di una clientela nazionale ed internazionale e la continuità generazionale all'interno della famiglia hanno contribuito alla nascita, negli anni '90, di una collezione firmata con il proprio marchio. Oggi come allora le creazioni Montbel sanno unire l'ottimo design all'alto comfort e alla massima resistenza. Il tutto per soddisfare il cliente, sia nel settore residenziale che in quello contract. Montbel propone la sua anima italiana esportandola con successo in tutto il mondo. L'immagine affermata è dunque quella di un'azienda che, sposando tecnica ed estetica, contribuisce a rendere più belle, razionali ed accoglienti le aree dell'abitare, dei luoghi di lavoro, dell'ospitalità. Con eccellenza.

— Montbel the company that for half a century has been re-writing the design and meaning of an everyday but not common object: the chair. Montbel was founded in 1959 by Mr. Silvano Montina, over the years has grown to become part of the most important reality in the industrial district of the chair. The care given to the completion of the product, the consolidation of its national and international clientele, the latest generation of the family are only some of the aspects which, in the 90's allowed Montbel to continue the Company's transformation: the creation of a collection trading with its own brand name. Today, as in the past, Montbel's creations know how to combine great design to the high comfort and maximum resistance. All to satisfy the most demanding customers. Montbel continues to offer new products to the international market. Its Italian soul rises through the selection of the high quality materials used and the attention paid to each phase of the production. This is exported with success all over the world. Portraying a solid image of a company which combines Aesthetics and ethics as well as contributing with excellence to make the areas we live in, the work place and hospitality environments more balanced, attractive and cosy.

La materia prima.

The raw material.

— Il legno è la nostra anima. Celebriamo la cultura del prodotto interpretando la materia prima. Nella natura troviamo l'ispirazione che ci permette di coglierne la vera essenza. Dalla scelta della grezza superficie emerge il carattere profondo del prodotto.

— Wood is our soul. We celebrate product culture by interpreting our raw material. In nature we find the inspiration that allows us to grasp its authentic essence. When choosing the raw surface, the subtle character of the article emerges.

La mano dell'uomo.

Man's hands.

— La tradizione e
la cultura artigianale
è la nostra arte.
Mani esperte lavorano
la materia, le forme
prendono vita da gesti
delicati e sicuri
che sapientemente
trasformano il progetto
in realtà.

— Tradition and
handicraft culture
constitute our art.
Expert hands process
matter, shapes emerge
from delicate and
determined gestures,
skilfully transforming
a project into reality.

Un prodotto indossabile.

A product which may be worn.

— Le strutture sono
i nostri telai di
pittura.
Forme e superfici si
arricchiscono di
tessuti materici e
aniline colorate,
interpretando uno stile
per renderlo ogni volta
diverso e personale.

— The structures are
our painting frames.
Forms and surfaces
enrich with genuine
fabrics and coloured
anilines, enacting a
style to make it ever
different and personal.

Attitudine sartoriale. A tailor's approach.

— La confezione veste le strutture come abiti di alta sartoria. Dalla scelta dei tessuti di alta qualità all'attenzione del dettaglio, un processo totalmente interno completa i nostri prodotti arricchendoli attraverso un lavoro di alta qualità.

— Upholstery covers structures, as does high tailoring with top style clothing. From choosing high quality fabrics to painstakingly caring for details, an utterly in-house process completes our articles, enriching them through top quality work.

Chilometro zero.

Zero mile.

— Il ciclo di una qualità totale prende forma all'interno dell'azienda.

Dalla scelta dei tronchi, alla selezione delle materie prime, alla prototipazione, alla realizzazione delle tappezzerie. Tutto il processo di lavorazione è gestito internamente da un network di professionisti nel rispetto delle più severe norme di qualità. Montbel è una azienda Made in Italy con un processo produttivo unico.

— A total quality cycle emerges inside the company.

From choosing the tree trunks to selecting the raw materials, to developing our prototypes, to manufacturing the upholstery. All our production process is in-house, handled by a network of professionals, while conforming to the strictest quality norms. Montbel is a firm that produces Italian-made articles with a unique manufacturing process.

Montbel portrait. Brand Identity.

— L'intreccio di atmosfere ed ispirazioni collega mondi diversi in un'unica passione. La poesia dei colori, la matericità di un tessuto, la profondità di uno sguardo. Così come i volti dello star system, i nostri prodotti diventano protagonisti di un linguaggio comune, ricco di una personalità forte e distintiva.

— Through the intertwining of atmospheres and inspirations, different worlds are linked into a single passion. The poetry of the colours, the authenticity of a fabric, the depth of a gaze. Just like the faces of the star system, our products become the leading actors of a shared language, with a strong and distinctive personality.

Trattamento / Treatment		Ultra-fresh, antibatterico, antiacaro. Determina freschezza igienica duratura. / Ultra-fresh, antimicrobial, antiacarus. It determines durable hygienic freshness.	
Manutenzione / Maintenance		Spolverare delicatamente. In caso di macchie lievi passare la superficie con un panno umido o con una soluzione di detergente neutro, risciacquando con acqua, senza strizzare. Lasciare asciugare al rovescio evitando l'esposizione diretta alla luce del sole. Stirare al rovescio a bassa temperatura. Per le macchie localizzate più ostinate (olio, grasso, cosmetici, inchiostro, caffè, liquori, chewing-gum ecc.) si consiglia di seguire le seguenti istruzioni: sciogliere tempestivamente la macchia con alcol etilico diluito (liquido incolore) in acqua al 20%, tamponare e trattare successivamente con una soluzione di detergente neutro. Risciacquare bene. Dust gently. In case of light stains pass the surface with a damp cloth or a neutral detergent, rinse with water without squeezing. Let the fabric dry inside out avoiding direct exposure to the sunlight. Iron the reverse at low temperature. The following instructions are recommended for small located and more obstinate stains (oil, fat, cosmetics, ink, coffee, liquor, chewing-gum etc.): dissolve immediately with clear ethylic alcohol diluted in water to 20%, dab and then treat with a neutral detergent.

Manutenzione / Maintenance			Per la normale pulizia spolverare periodicamente con un panno pulito, morbido e asciutto. Eventuali macchie possono essere rimosse usando un panno pulito imbevuto di una soluzione di acqua e sapone neutro bianco. Evitare di strofinare la superficie da trattare, ma tamponare, dall'esterno verso l'interno della macchia. Non asciugare la pelle alla luce del sole o con l'asciugacapelli. Non utilizzare mai sostanze detergenti non consigliate in quanto possono danneggiare il rivestimento in pelle causando crepe o scolorimento. Per mantenere vivo il colore del rivestimento evitare l'esposizione del manufatto di pelle alla luce diretta del sole. For normal cleaning just dust the leather with a clean, soft dry cloth. Any stains can be removed using a damp cloth and mild white detergent. Do not rub the surface but dab it from the outside towards the inside of the stain. Do not dry the leather in the sunlight or with a hair dryer. Do not use detergents that are not specific for leather, as they can damage the surfare causing it to crack or fade. To keep the colours bright, do not expose the leather to direct sunlight.
