OUTDOOR THERAPY

La natura, casa nostra
/ Nature, Our Home

Fare in modo che il benessere diventi il più prezioso alleato della quotidianità, ridisegnando le priorità della persona nel nome del comfort e della bellezza. Lo facciamo dal 1969, confrontandoci costantemente con gli scenari stilistici più evoluti, affidando agli esponenti del design italiano e internazionale più attenti al rapporto abitare-natura il compito di trasformare la nostra filosofia outdoor in arredi che imprimono nello spazio un segno estetico inconfondibile e sfidano il tempo.

Making sure that well-being becomes the most precious ally of everyday life, redesigning the priorities of the person in the name of comfort and beauty. Since 1969, we have been constantly confronting ourselves with the most advanced stylistic scenarios, entrusting the exponents of Italian and international design more attentive to the relationship between living and nature, with the task of transforming our philosophy into outdoor furniture that imprint an unmistakable aesthetic sign in the space and challenge the time.

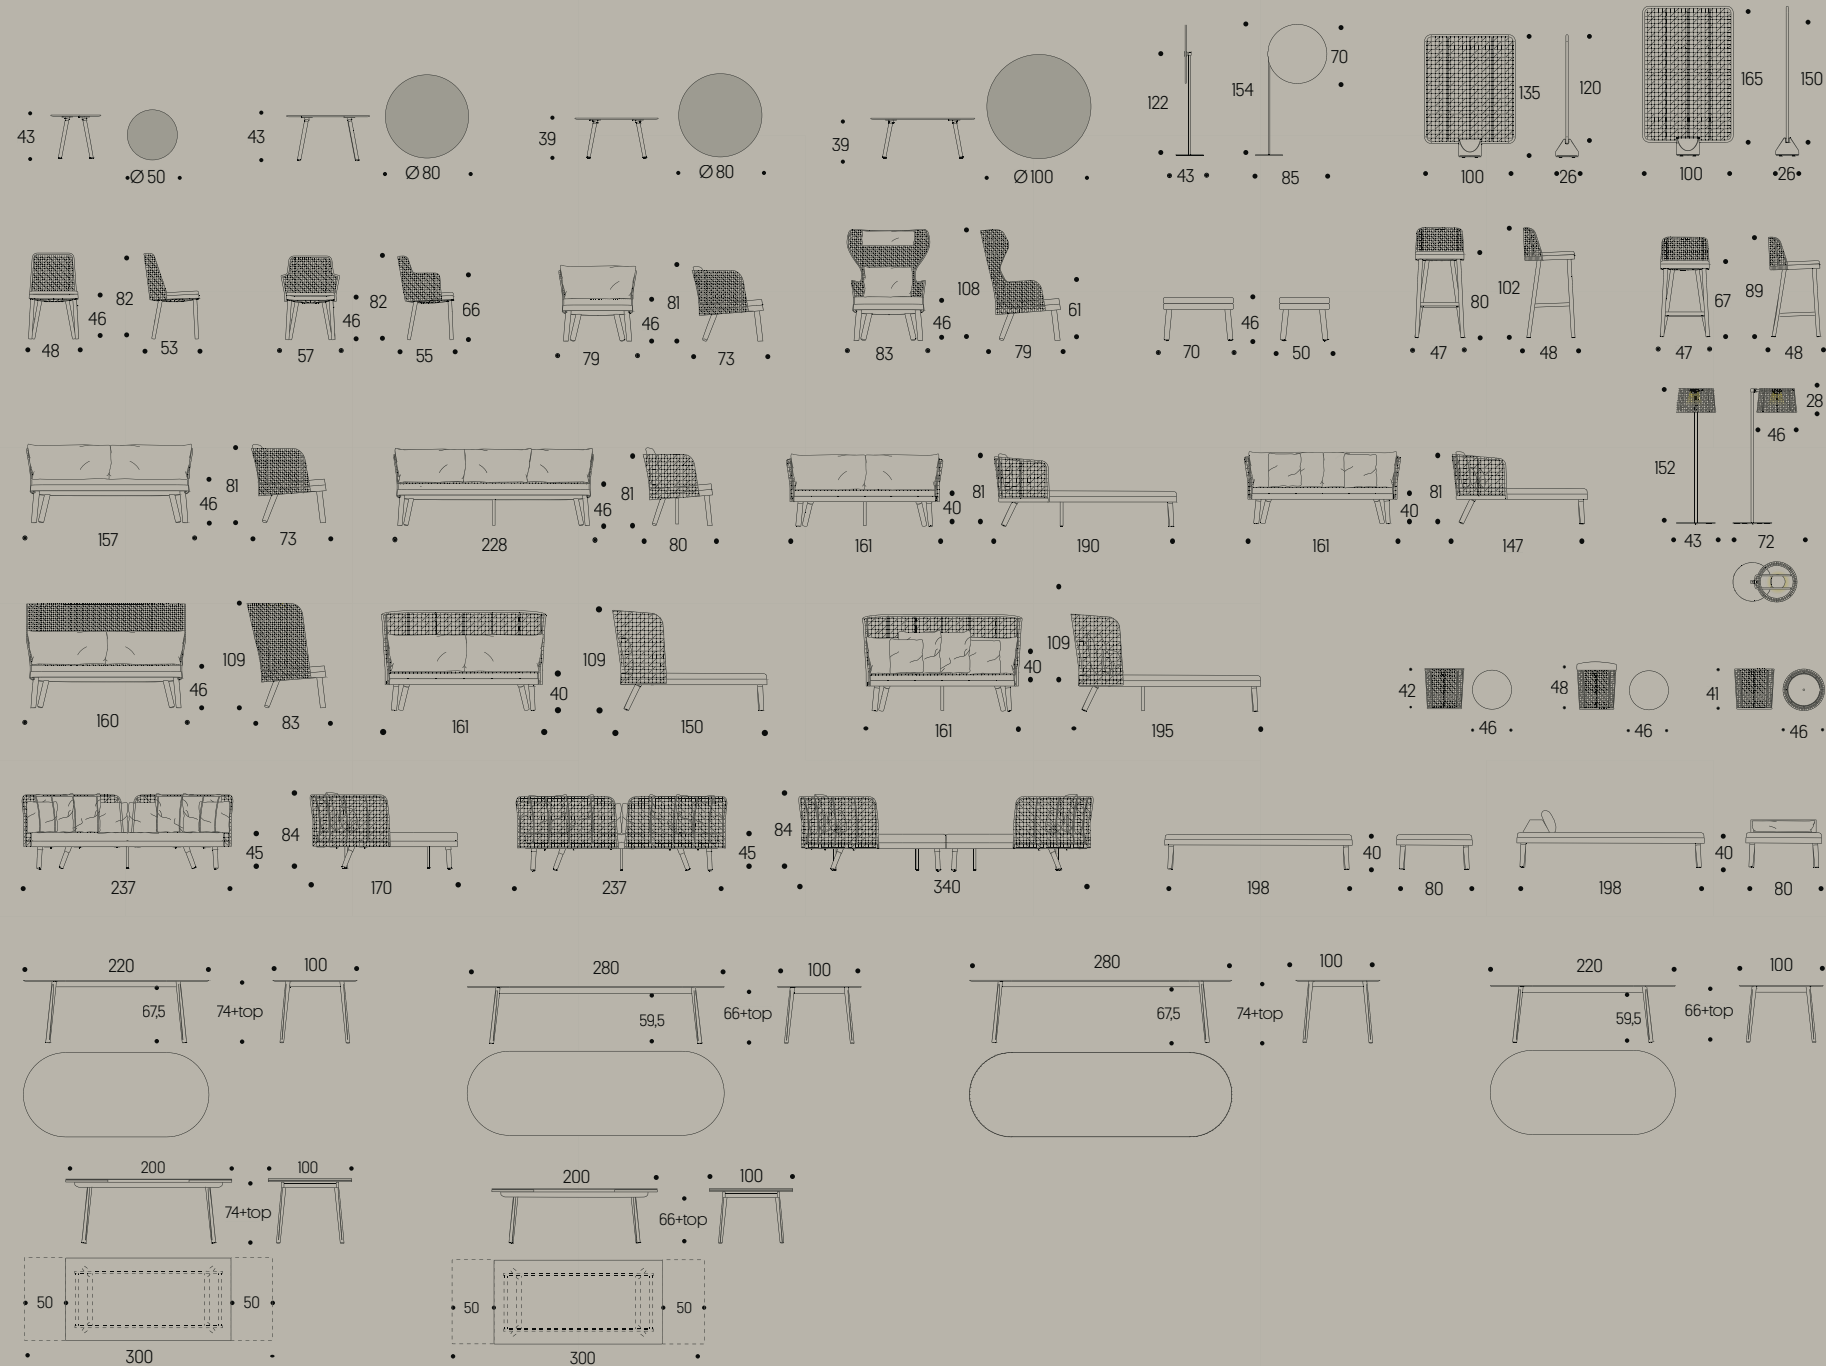

Lasciarsi cullare
dal piacere
del comfort outdoor.

Let yourself be lulled
by the pleasure
of outdoor comfort.

EMMA

DESIGN MONICA ARMANI

Eleganza, funzionalità e versatilità sono le parole chiave di un concept declinato in più elementi e complementi, compresa la bergère, icona della collezione. Tratto distintivo, l'intreccio ortogonale. La possibilità di vestire e configurare le sedute secondo le preferenze rende Emma una proposta trasversale agli spazi e agli stili dell'outdoor contemporaneo, capace di entrare in sintonia con qualsiasi mood preservando la propria identità.

Elegance, functionality and versatility are the keywords of a concept declined in several elements and accessories, including the bergère, an icon of the collection. Distinctive feature is the orthogonal weaving. The ability to design and configure the seats, according to preferences, makes Emma a proposal that crosses the spaces and styles of the contemporary outdoor, capable of being in tune with any mood while keeping its own identity.

PRIVACY PANEL EMMA / EMMA PRIVACY PANELS

EMMA CROSS

DESIGN MONICA ARMANI

La corolla di un fiore, il colletto di una camicia: le fonti di ispirazione di Emma Cross parlano di un approccio alla progettazione particolarmente libero. Personalizzato da un delicato ricamo al centro della fascia, l'intreccio in tessuto disegna sugli schienali un pattern arioso, che fa respirare le forme avvolgenti della poltroncina e di tutti gli altri elementi della collezione. I colori attingono da una tavolozza impreziosita da tonalità raffinate, in cui il richiamo alla natura si tinge di ricercatezza contemporanea.

The corolla of a flower, the collar of a shirt: the sources of inspiration for the Emma Cross collection speak of a particularly free approach to design. Personalized by a delicate embroidery in the center of the band, the intertwining draws an airy pattern on the backrests, which allows the enveloping shapes of the armchair and all the other element of the collection to breathe. The colors draw from a palette embellished with refined shades, in which the reference to nature is tinged with contemporary refinement.

of everyday life.

TIBIDABO

DESIGN CALVI BAMBILLA

LANDSCAPES 2023 - 2023

Un programma di arredo outdoor straordinariamente completo, il cui carattere emerge dal design di tutti gli elementi e i complementi che lo compongono. Motivo conduttore, l'intreccio in fibra sintetica, realizzato a mano, che accompagnandosi alle eleganti strutture in alluminio verniciato modella forme essenziali e leggere, ispirate alla chioma degli alberi, diaframmi che dialogano con la luce e tramutano il relax in un rito in cui si celebra una bellezza senza tempo.

An extraordinarily complete outdoor furniture project, whose character emerges from the design of all the elements and accessories. The leitmotiv is the hand-made weaving in synthetic fiber which, accompanying the elegant painted aluminum structures, shapes essential and light lines, inspired by the canopy of trees. These diaphragms interact with light and transform relax into a ritual in which timeless beauty is celebrated.

BELT - BELT AIR

DESIGN DANIELE LO SCALZO MOSCHERI

* Non disponibile in versione Belt Air con piedini in plexiglass
/ Belt Air version with plexiglass feet is not available

Un'estetica originale, decisamente morbida, espressa nel prevalere delle linee sinuose: la collezione Belt racconta al tatto e all'occhio questo e molto altro, senza contare la straordinaria componibilità e la quantità degli elementi in cui si articola, che offrono alla creatività massima libertà di espressione. Belt Air riprende i principi estetici e progettuali di Belt, introducendo forme lievemente meno rotondeggianti e sostenute da sottili supporti in alluminio o polimetilmetacrilato che le fanno apparire quasi magicamente sospese.

An original, decidedly soft aesthetic, expressed in the prevalence of sinuous lines: but the Belt collection tells more about this, considering the extraordinary modularity and the many composition series, which offer creativity the maximum freedom of expression. Belt Air takes up the aesthetic and design fundamentals of Belt, introducing slightly less rounded shapes held by thin aluminum or polymethylmethacrylate supports that make them appear almost magically suspended.

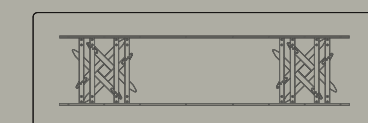

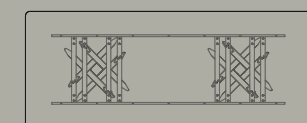

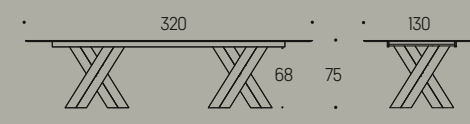

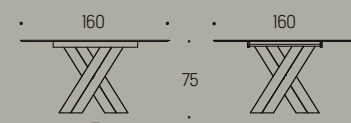

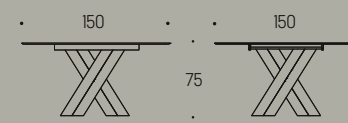

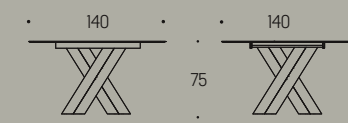

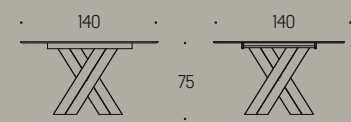

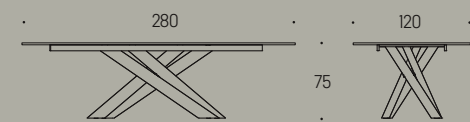

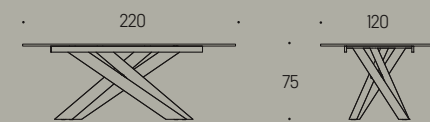

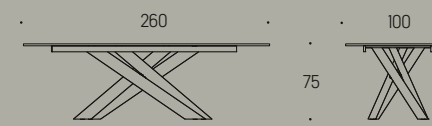

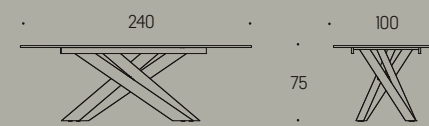

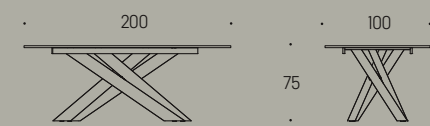

DAYBED BELT / BELT DAYBED

SYSTEM STAR

DESIGN DANIELE LO SCALZO MOSCHERI

Tavoli fissi accompagnati da una gamma di top in HPL o ceramica particolarmente varia e completa, di forma quadrata, rettangolare, rotonda ed ellittica. Rendono inconfondibile System Star sia la sezione romboidale raggiata dei supporti in alluminio verniciato a polveri, sia il modo in cui questi si uniscono tra loro, secondo un ricercato intreccio di diagonali che trasmette giocosa leggerezza e assicura contemporaneamente grande stabilità.

Fixed tables accompanied by a range of particularly varied and complete HPL or ceramic tops, in square, rectangular, round and elliptical shapes. Both the rhomboidal radius section of the powder-coated aluminum supports, and the way in which these are joined together make System Star unmistakable, according to a refined interweaving of diagonals that transmits playful lightness and at the same time ensures great stability.

CRICKET

DESIGN ANKI GNEIB

LANDSCAPES 2023 - 2024

La ritorcitura, lavorazione artigianale di pregio, fa dell'intreccio in cordino sintetico di Cricket, robusto e allo stesso tempo accogliente, l'ambasciatore di una cultura del saper fare che anche nell'outdoor fa la differenza. La sobria, equilibrata raffinatezza del design, di matrice scandinava, coniuga stile e praticità. Nelle strutture, grazie all'alluminio, la robustezza si sposa con la leggerezza.

The twisting, a fine craftsmanship, makes the intertwining in synthetic fiber of the Cricket collection, robust and at the same time welcoming, the ambassador of a culture of know-how that makes the difference even in the outdoors. The sober, balanced refinement of the Scandinavian design combines style and practicality. In the structures, thanks to the aluminum, strength is combined with lightness.

CRICKET

COLLEZIONE CRICKET / CRICKET COLLECTION

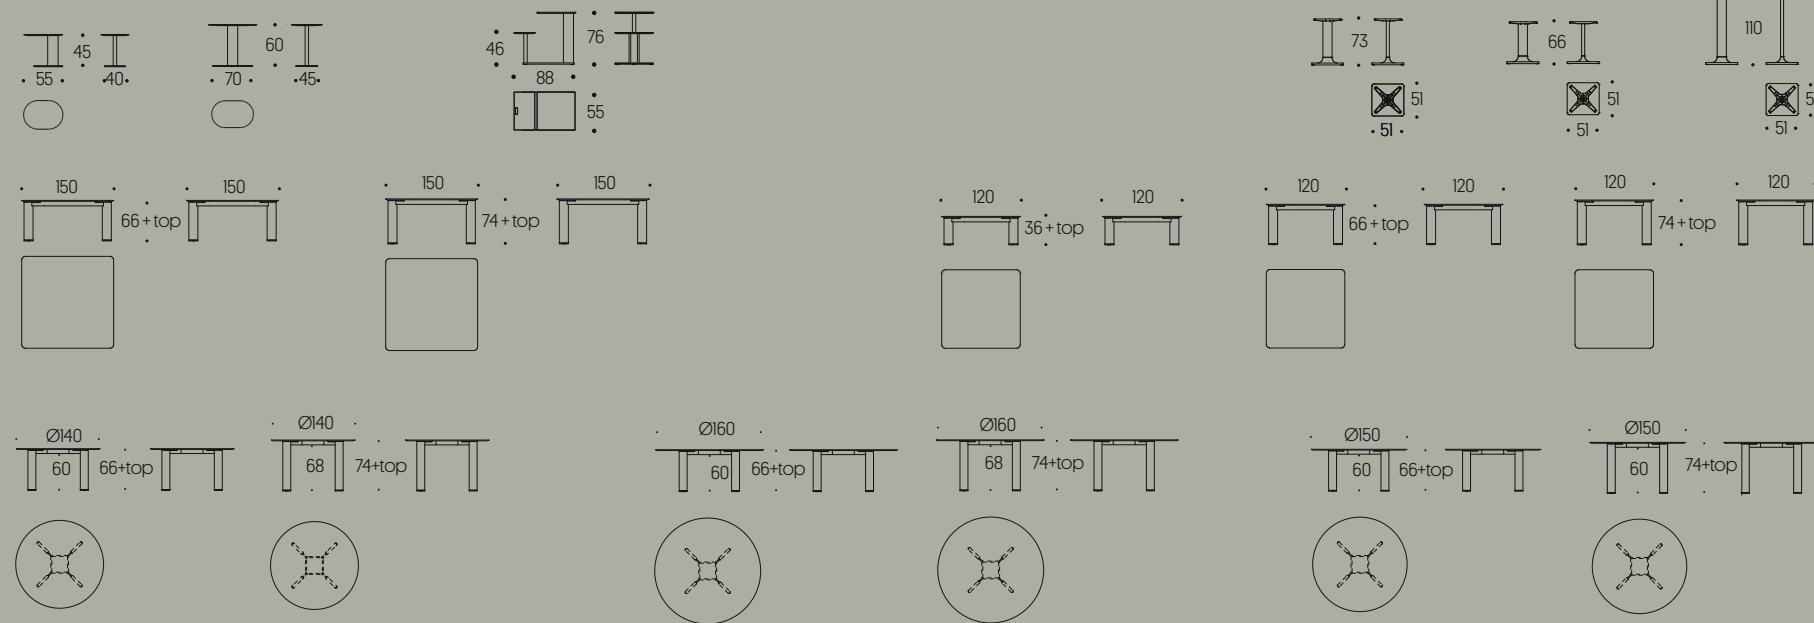

PLINTO

DESIGN PIO E TITO TOSO

LANDSCAPES 2023 - 2024

Nel nome il ruolo: Plinto è una collezione di basi per tavoli il cui design, riuscita sintesi di bellezza e funzionalità, si ispira alla natura, precisamente al fusto dell'albero e alle sue radici, paradigma ancestrale di stabilità. Gli steli dei tavolini sono realizzati in estruso di alluminio e i basamenti nello stesso materiale, ma secondo un processo di pressofusione. La verniciatura è eseguita a polveri.

In the name, the role: Plinto is a collection of table bases whose design, a successful synthesis of beauty and functionality, is inspired by nature, precisely by the trunk of the tree and its roots, an ancestral paradigm of stability. The table base stems are made of extruded aluminum and the bases in the same material, but according to a die-casting process. The painting is done with powders.

PLINTO

SIT & EAT PLINTO / PLINTO SIT & EAT

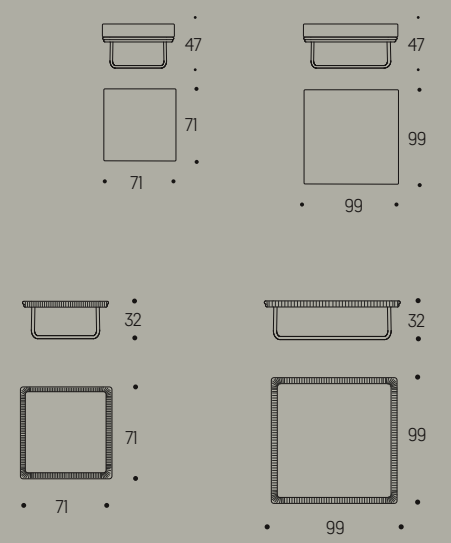

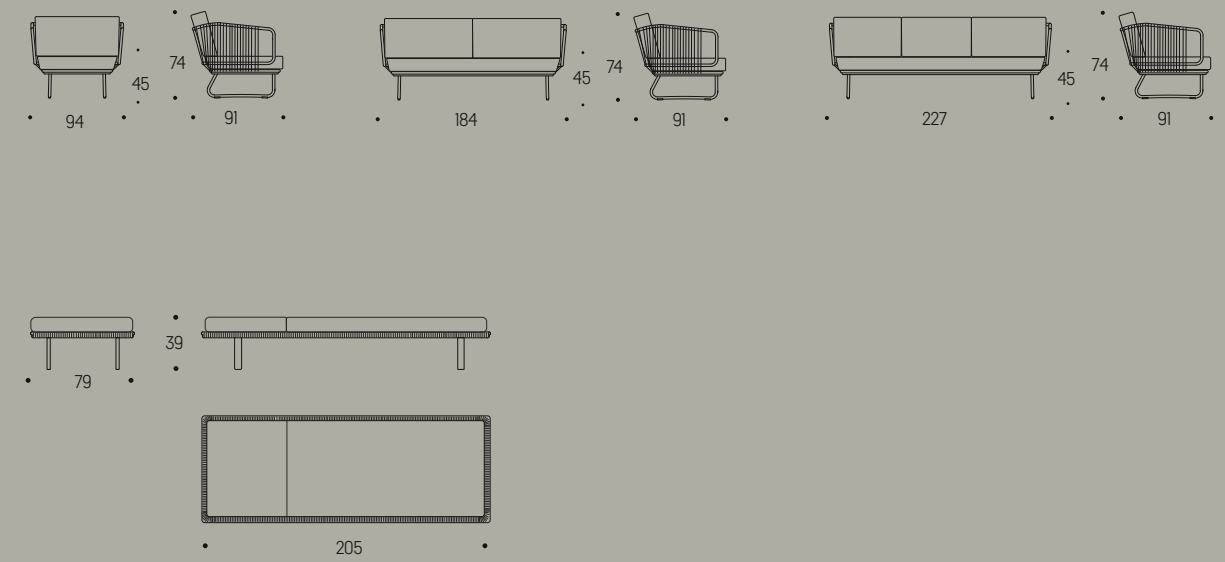

SIT & EAT PLINTO / PLINTO SIT & EAT

BABYLON

DESIGN GIOPATO & COOMBES

LANDSCAPES 2023 - 2024

Una proposta il cui protagonista è ancora una volta l'intreccio in corda, interpretato in una chiave decisamente inedita, da cui un riuscito connubio tra estetica del presente ed eredità della tradizione. Babylon gioca sul dialogo tra forme curvilinee, disegnate per coccolare sia il corpo che lo sguardo.

A proposal whose protagonist is once again the interweaving, interpreted in a decidedly new key, from which a successful combination of the aesthetics of the present and the legacy of tradition. Babylon plays on the dialogue between curvilinear shapes, designed to pamper both the body and the eye.

FLEXION

DESIGN EDOARDO GHERARDI

LANDSCAPES 2023 - 2024

La silhouette dei tavoli Flexion, giocata su linee fluide, morbide, invita al relax, dipingendo nell'ambiente di arredo outdoor una forma originale, il cui fulcro è lo stelo, singolo o doppio, segmento curvo scolpito nello spazio con dinamismo inedito. Completano l'opera i top, circolari, ellittici o dal design organico, proposti in diverse dimensioni.

The silhouette of the Flexion tables, played on fluid and soft lines, invites relax, painting an original shape in the outdoor furniture environment, the fulcrum of which is the stem, single or double, a curved segment carved into the space with unprecedented dynamism. The work is completed by the tops, circular, elliptical or with an organic design, offered in different sizes.

FLEXION

TAVOLO FLEXION - SEDIE CON BRACCIOLI CRICKET / FLEXION TABLE - CRICKET CHAIRS WITH ARMS

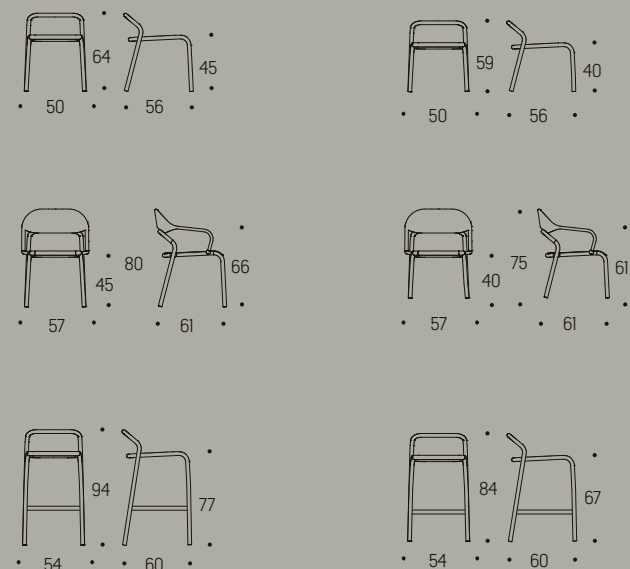

NOSS

DESIGN EDOARDO GHERARDI

Il concept di Noss si fonda sull'armonia tra l'elegante robustezza del sedile e le linee sinuosamente accoglienti dello schienale, ambedue in alluminio verniciato a polveri. Impreziosisce la poltroncina, pezzo forte di una collezione di cui fanno parte anche la sedia e lo sgabello, l'intreccio in fibra sintetica realizzato a mano.

The Noss concept is based on the harmony between the elegant strength of the seat and the sinuously welcoming lines of the backrest, both in powder-coated aluminum. The armchair, the highlight of a collection which also includes the chair and stool, embellishes the hand-made weaving in synthetic fiber.

SSON

SEDIE EASY NOSS / EASY NOSS CHAIRS

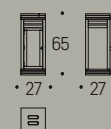

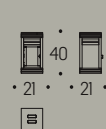

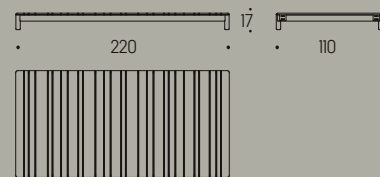

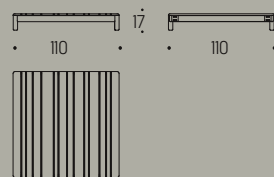

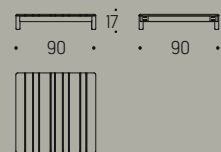

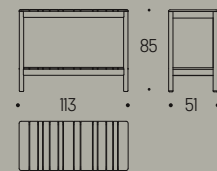

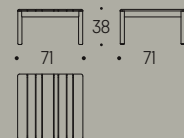

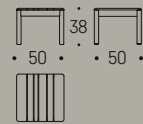

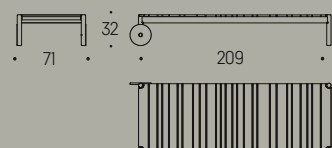

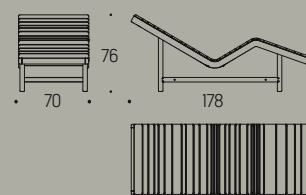

BARCODE

DESIGN ALESSANDRO DUBINI

Tratto caratteristico di Barcode, l'elegante texture lineare incisa nel legno delle strutture di lettini, tavolini e consolle. L'essenza impiegata è il teak, proveniente da piantagioni certificate, riprova dell'impegno profuso da Varaschin per individuare il punto d'incontro ideale tra stile, funzionalità e sostenibilità, a maggior ragione in elementi di arredo che ambiscono a vivere in simbiosi con la natura.

Characteristic feature of Barcode, the elegant linear texture engraved in the wood of the structures of beds, tables and consoles. The essence used is teak, coming from certified plantations, proof of Varaschin's commitment to identify the ideal meeting point between style, functionality and sustainability, especially in furniture that aspire to live in symbiosis with nature.

BAHIA

DESIGN CALVI BRAMBILLA

LANDSCAPES 2023 - 2024

Estetica ispirata alla filosofia del “less is more” ed eleganza di impronta spiccatamente contemporanea si danno appuntamento all’aperto. La collezione di lettini, tavolini e porta asciugamani coordinati Bahia mette la solida leggerezza dell’alluminio, verniciato a polveri, e la carezzevole robustezza del tessuto sintetico traforato brevettato Varaschin al servizio di ambienti outdoor connotati dai mood più diversi.

Aesthetics inspired by the philosophy of “less is more” and elegance with a distinctly contemporary imprint meet outdoors. The Bahia collection of coordinated sunbeds, coffee tables, and towel-racks puts the solid lightness of powder-coated aluminum and the caressing strength of the patented Varaschin perforated synthetic fabric at the service of outdoor environments characterized by the most diverse moods.

BIG - BIG LIGHT

DESIGN R&D VARASCHIN

LANDSCAPES 2023 - 2024

Esserci senza farsi notare troppo, svolgere una funzione importante senza rinunciare a un design distintivo: i sostegni per tavoli e tavolini della collezione Big, proposti in diverse versioni, quest'arte la conoscono bene. Comune denominatore estetico è la base piatta, ampia e molto stabile, su cui si innesta un robusto stelo cilindrico centrale fissato al piano mediante piastra. Big Low identifica le varianti ribassate.

Being there without being noticed too much, performing an important function without sacrificing a distinctive design: the supports for tables and coffee tables of the Big collection, offered in different versions, know this art well. The common aesthetic denominator is the flat, wide and very stable base, on which a sturdy central cylindrical stem is grafted onto the top by means of a plate. Big Low identifies lowered variants.

BIG - BIG LIGHT

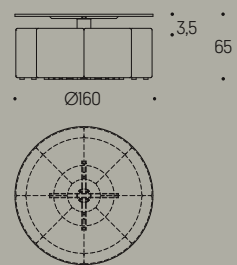

BIG IN&OUT

DESIGN ERNESTO LECHTHALER

LANDSCAPES 2023 - 2024

Le poltroncine “a spicchio” In&Out, con struttura in okumè marino, molto resistenti perciò anche agli ambienti umidi e ad alta salinità, si distinguono per il design frizzante e al contempo elegantemente razionale. Presupposto progettuale, la componibilità basata sui concetti di cerchio e settore circolare, espressa in modo particolarmente compiuto nella possibilità di raggruppare in circolo otto poltroncine attorno al tavolo Big Low.

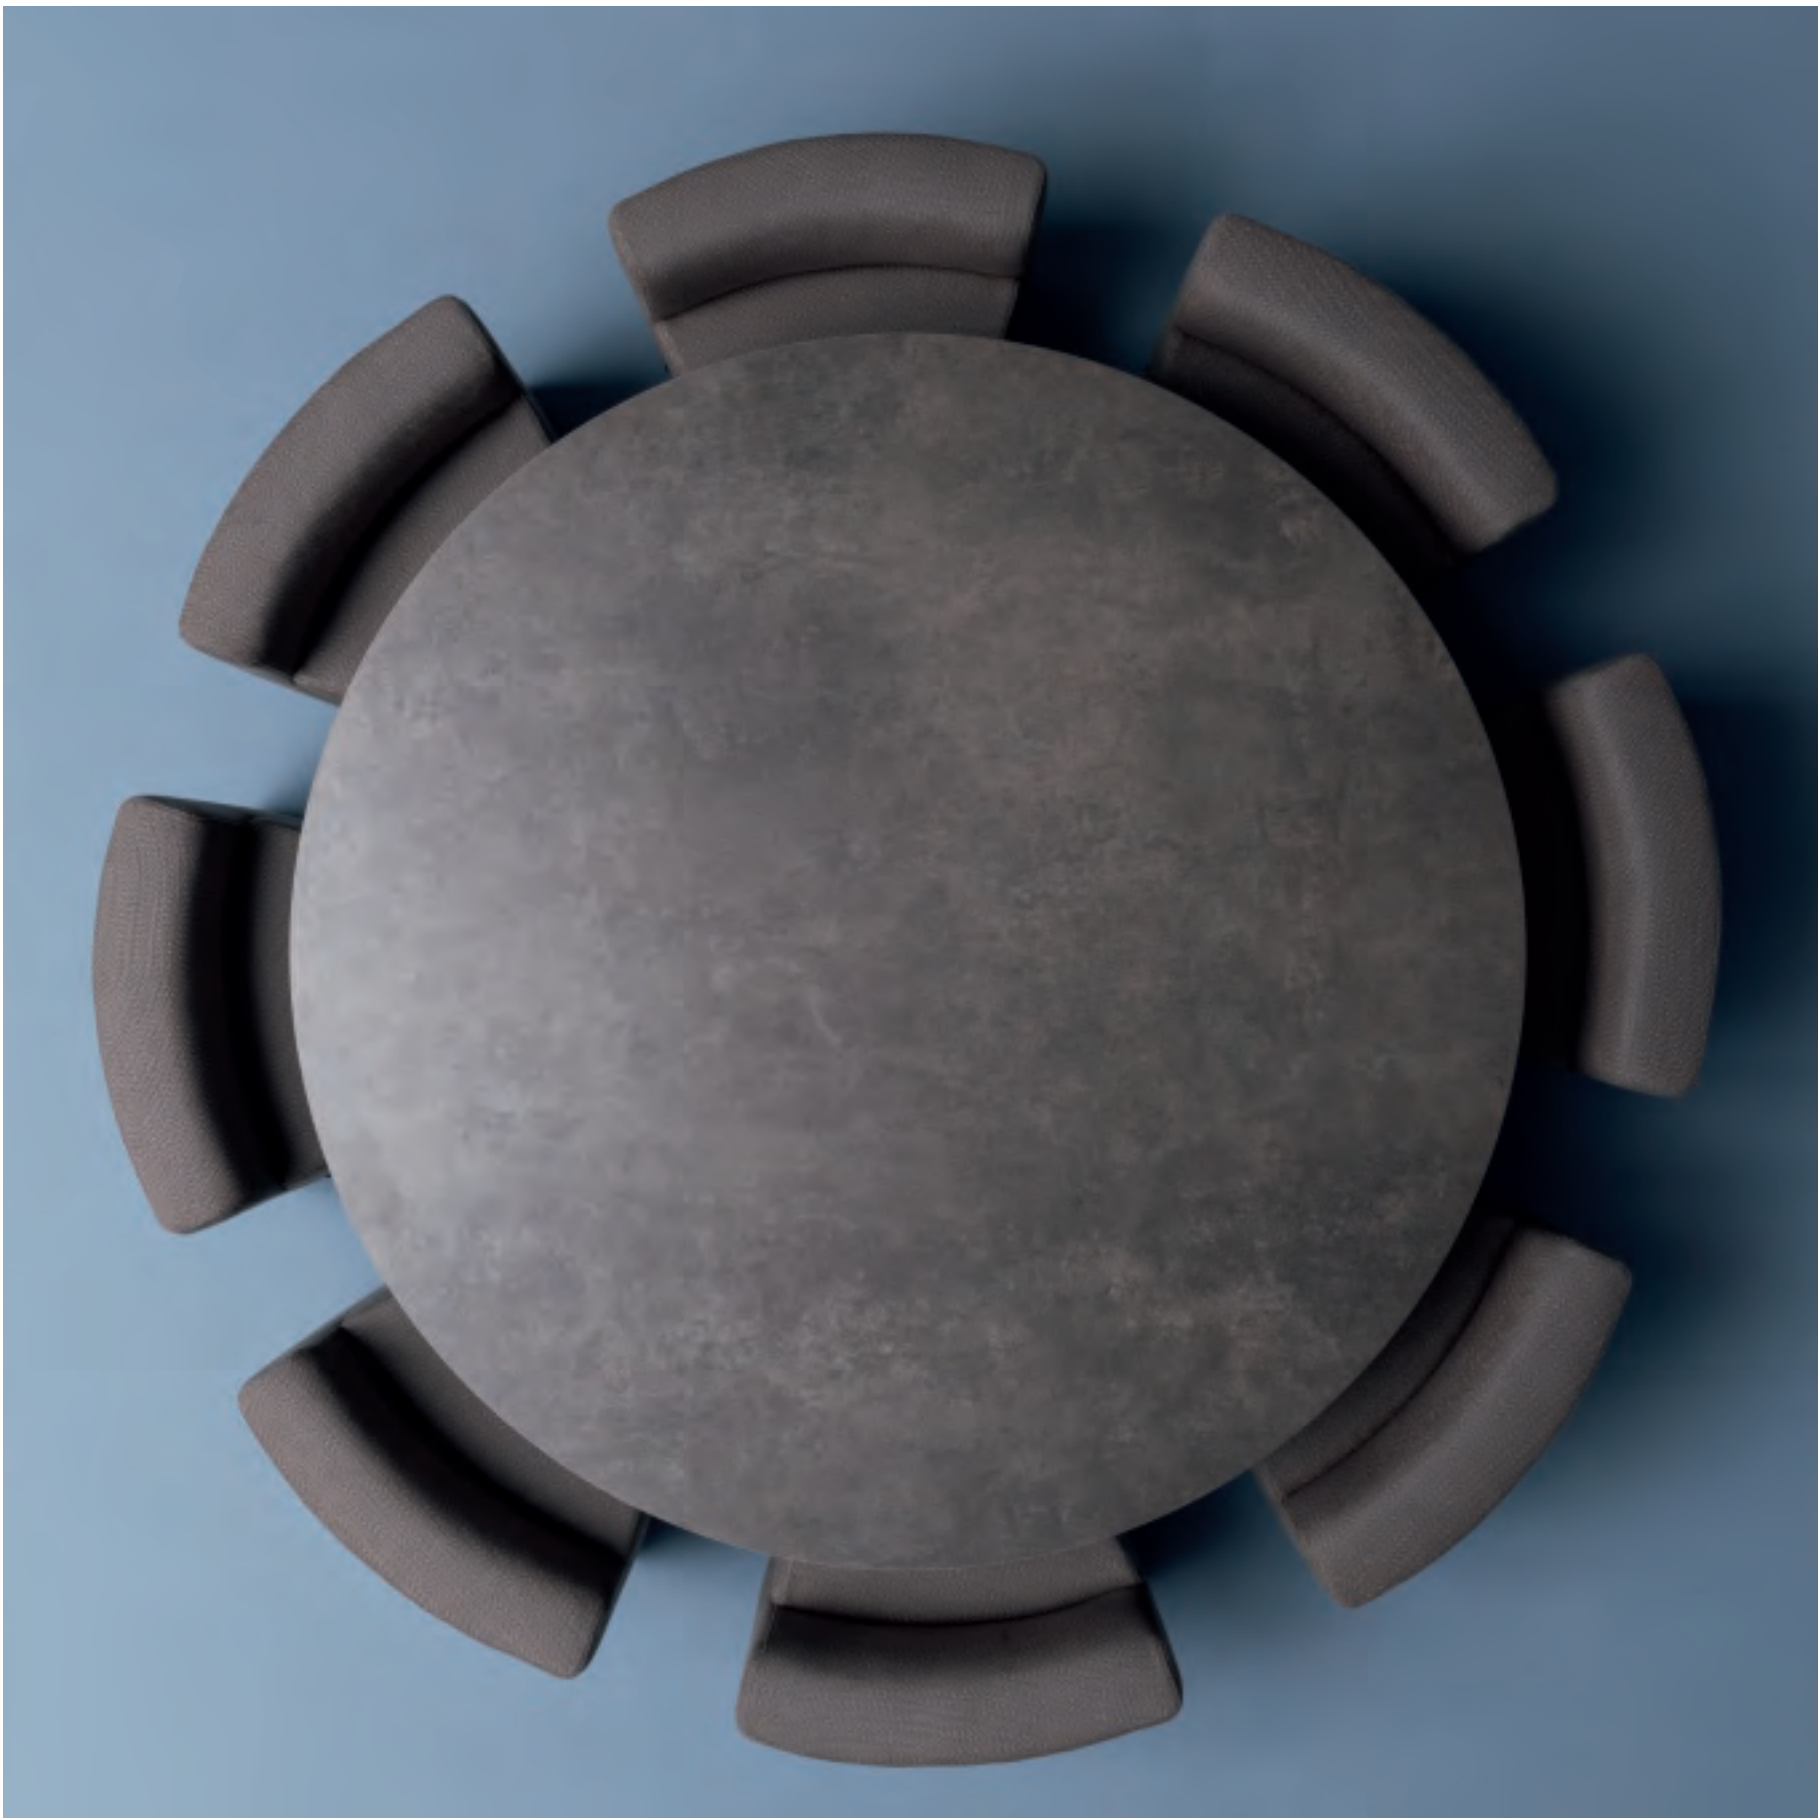

The In&Out “wedge” armchairs, with a marine okumè structure, therefore very resistant even to humid and high salinity environments, stand out for their sparkling and at the same time elegantly rational design. Project assumption is the modularity based on the concepts of circle, expressed in the possibility of grouping eight armchairs in a circle around the Big Low table.

BIG IN&OUT

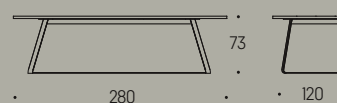

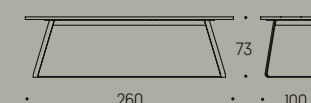

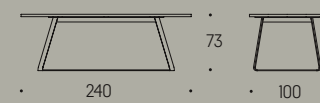

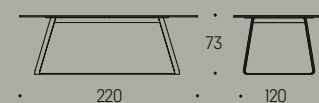

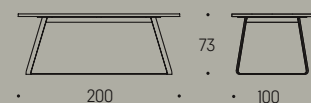

KOLONAKI

DESIGN CALVI BRAMBILLA

Un segno senza soluzione di continuità che delinea una struttura caratterizzata dalle gambe inclinate, realizzata in acciaio trafilato piatto trattato con cataforesi e verniciatura a polveri: la prima nota distintiva che offrono allo sguardo i tavoli Kolonaki è questa. A essa si aggiunge l'inappuntabile nitidezza lineare del design dei top, proposti in ceramica o HPL e in più forme e dimensioni.

A seamless sign that outlines a structure characterized by inclined legs, made of flat drawn steel treated with cataphoresis and powder coating: this is the first distinctive note that the Kolonaki tables offer. Added to this, the unparalleled linear clarity of the design of the tops, offered in ceramic or HPL and in various shapes and sizes.

TAVOLO KOLONAKI - POLTRONCINE TIBIDABO / KOLONAKI TABLE - TIBIDABO DINING ARMCHAIRS

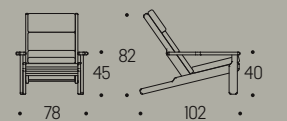

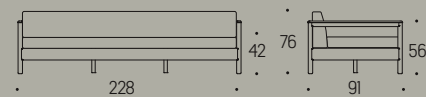

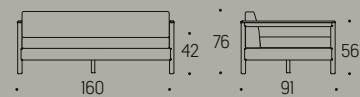

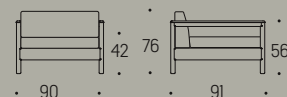

BALI

DESIGN ALESSANDRO DUBINI

LANDSCAPES 2023 - 2024

La collezione Bali, composta da divano a due o tre posti, poltrona, bergère e tavolini, offre agli spazi lounge esterni la purezza formale delle sue linee semplici ed equilibrate. Queste ultime sono tracciate in modo tale da porre in risalto le qualità esteriori e funzionali del massello di teak, proveniente da piantagioni certificate, ineccepibile mix di robustezza, sostenibilità e leggerezza.

The Bali collection, consisting of a two or three-seater sofa, armchair, bergère and coffee tables, offers its simple and balanced lines to outdoor lounge spaces. Lines are traced in such a way as to highlight the external and functional qualities of the solid teak, coming from certified plantations, an impeccable mix of strength, sustainability and lightness.

BALI

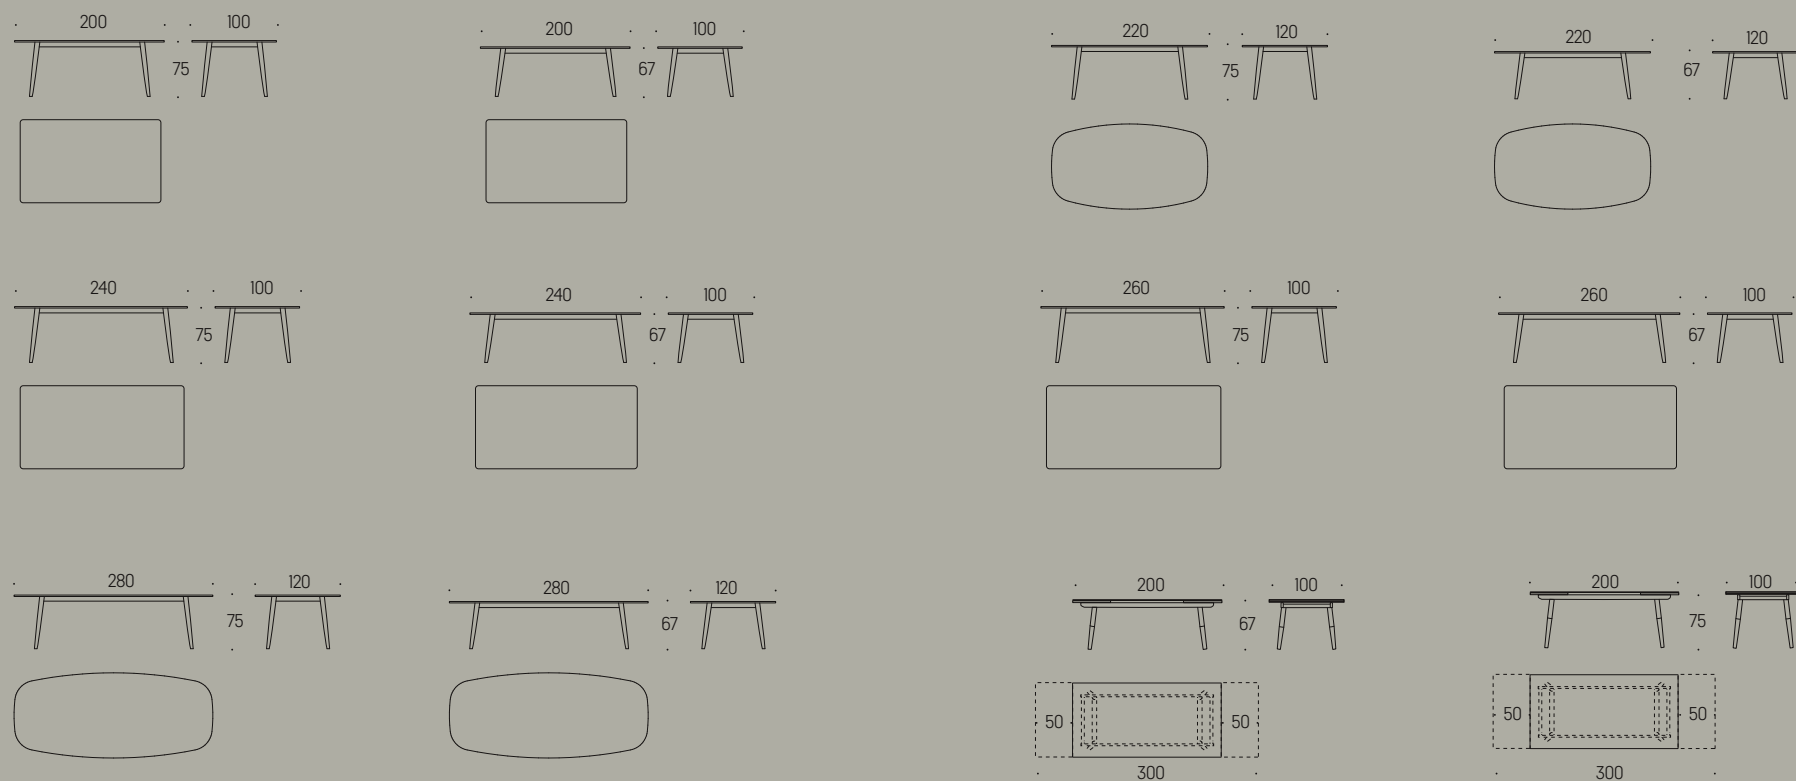

ELLISSE

DESIGN R&D VARASCHIN

Ellisse, ovvero un'estetica soft ed elegantemente in sintonia con il presente, espressione di un design che si arricchisce per sottrazione. Strutture raffinatamente essenziali e piani ellittici o rettangolari contraddistinguono una collezione di tavoli che ha tra i suoi punti di forza la versatilità, ossia la capacità di vivere in perfetto accordo con gli ambienti outdoor più diversi.

Ellisse, a soft and elegant aesthetic in tune with the present, the expression of a design that is enriched by subtraction. Refined essential structures and elliptical or rectangular tops distinguish a collection of tables that has versatility among its strengths, that is the ability to live in perfect harmony with the most diverse outdoor spaces.

Giocare con lo spazio
e farselo amico.

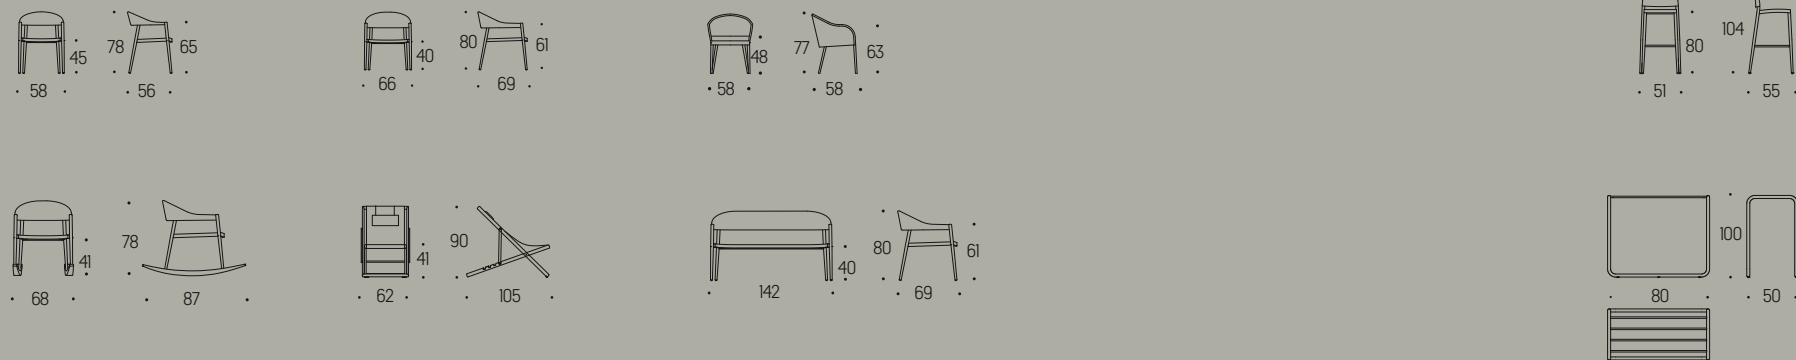

Playing with space
and becoming friends.

CLEVER

DESIGN R&D VARASCHIN

LANDSCAPES 2023 - 2024

Intelligente, lo dice il nome, il modo in cui la collezione Clever riesce a donare a divano, lounge, dondolo lounge, poltroncina, sdraio, sgabello e porta asciugamani un design particolarmente accogliente, risolto in un armonioso connubio tra linee rette e curve. Molteplici gli abiti da far indossare alle strutture in alluminio verniciato a polveri: tessuto sintetico brevettato Varaschin, texture, cordino sintetico.

Intelligent as the name suggests, is the way in which the Clever collection manages to give the sofa, dining armchair, lounge rocking armchair, lounge armchair, deckchair, stool, and towel racks a particularly welcoming design, resolved in a harmonious combination of straight and curved lines. There are many proposals to be paired with the powder-coated aluminum structures: Varaschin patented synthetic fabric, texture, synthetic cord.

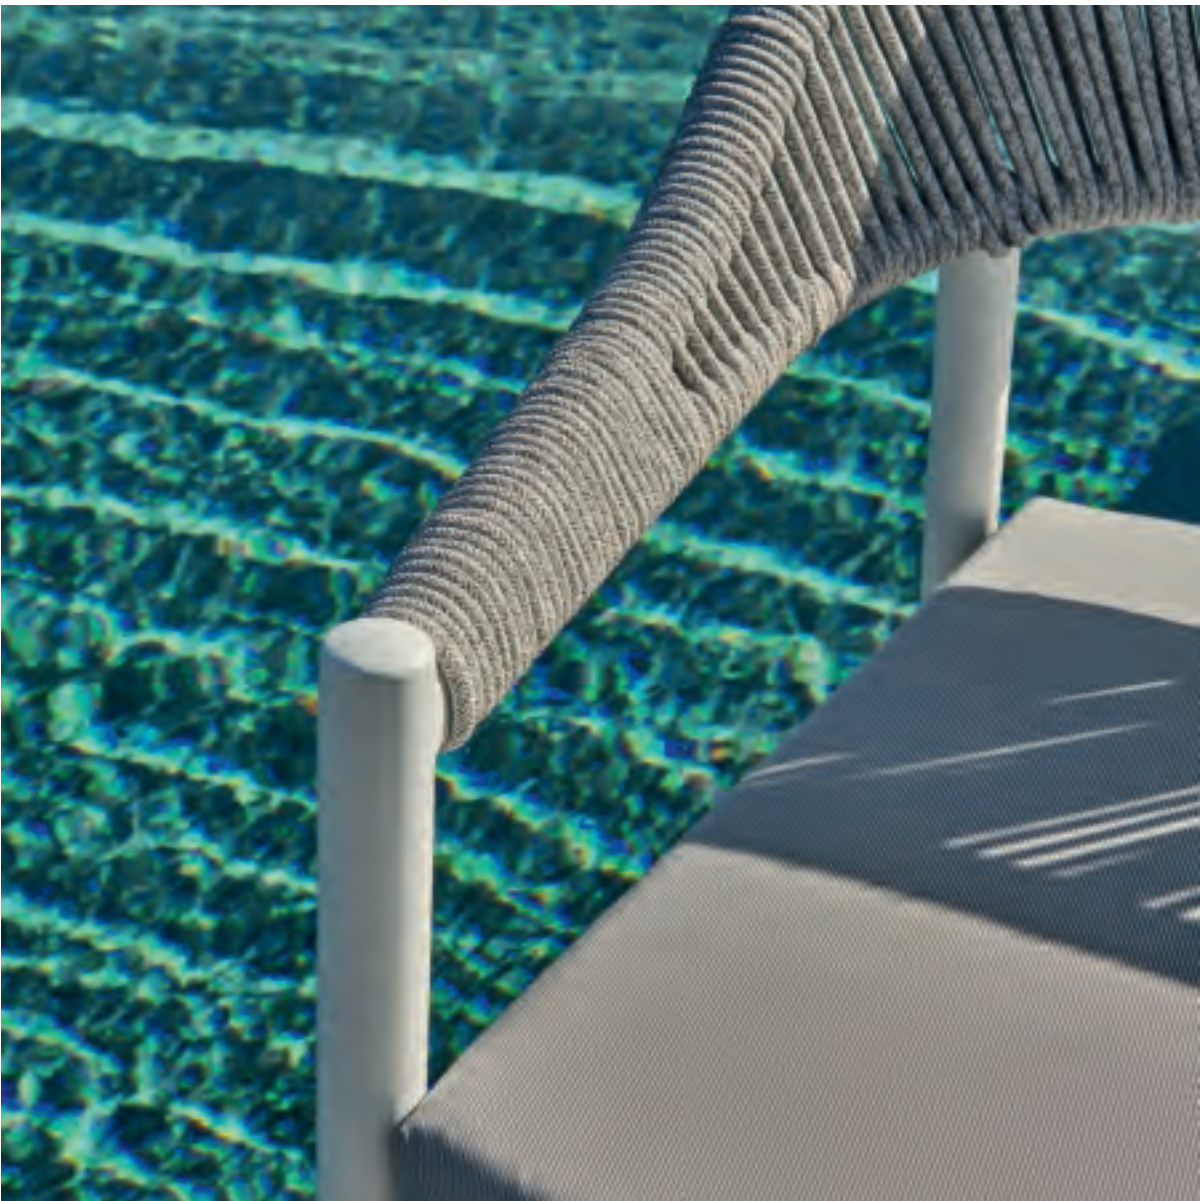

CLEVER

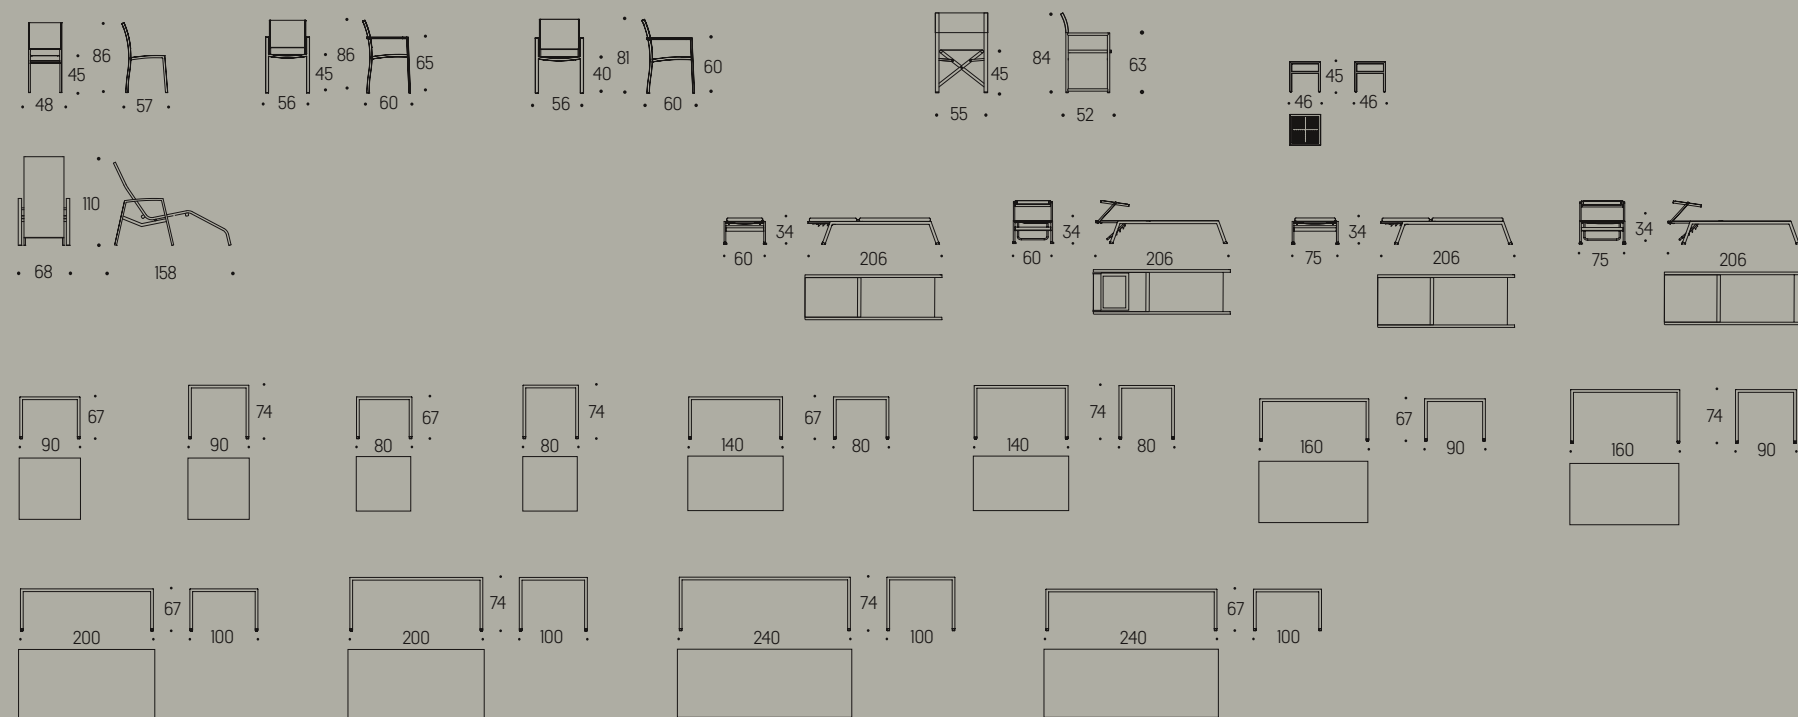

VICTOR

DESIGN R&D VARASCHIN

LANDSCAPES 2023 - 2024

Una collezione ricca di tipologie diverse, in cui tutto, dal design alle cromie, passando per una ricca gamma di tessuti, parla del piacere di rilassarsi all'aria aperta. Protagonisti, insieme a un repertorio di forme in cui si danno appuntamento estetica outdoor e massima praticità, i materiali, tra cui spiccano l'alluminio delle strutture e, utilizzato con studiata parsimonia, il legno di teak.

A collection full of different types, in which everything, from design to colors, through a wide range of fabrics, speaks of the pleasure of relaxing outdoors. The protagonists, together with a repertoire of shapes in which outdoor aesthetics and maximum practicality meet, are the materials, among which the aluminum of the structures and teak wood, used with studied parsimony, stand out.

VICTOR

TAVOLO E SEDIE CON BRACCIOLI VICTOR / VICTOR TABLE AND CHAIRS WITH ARMS

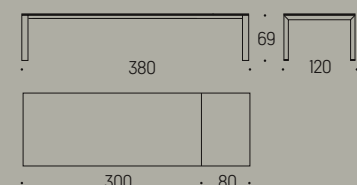

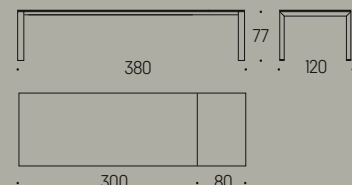

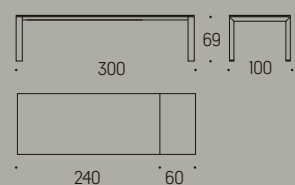

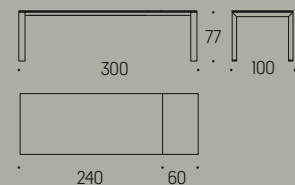

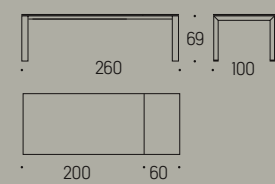

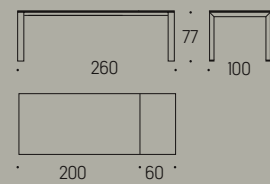

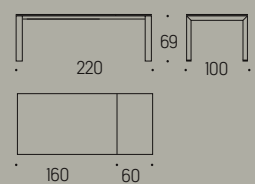

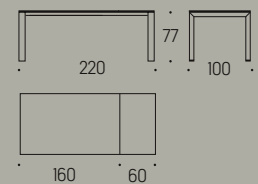

DOLMEN

DESIGN R&D VARASCHIN

LANDSCAPES 2023 - 2024

Nella loro ingegnosa essenzialità, espressione di un design che coniuga perfettamente forma e funzione, i tavoli allungabili Dolmen rispondono con eleganza e carattere all'esigenza di gestire lo spazio al meglio anche all'esterno, ampliandosi per accogliere più commensali. I piani in HPL sono sorretti da strutture in alluminio verniciato a polveri.

In their ingenious essentiality, the expression of a design that perfectly combines form and function, the Dolmen extendable tables respond with elegance and character to the need to manage space in the best possible way even outdoors, expanding to accommodate more diners. The HPL tops are supported by structures in powder-coated aluminum.

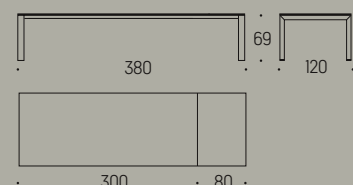

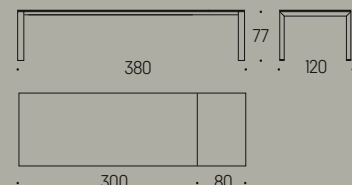

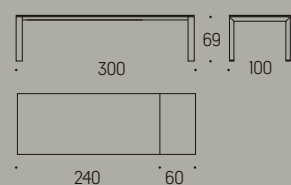

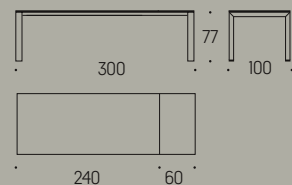

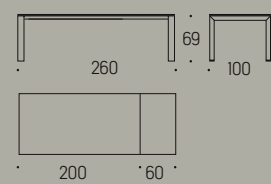

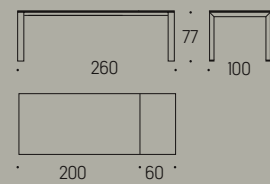

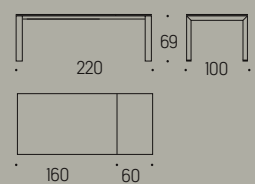

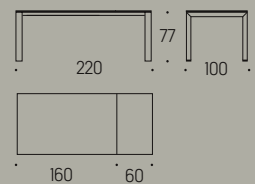

DOLMEN

SMART

DESIGN R&D VARASCHIN

LANDSCAPES 2023 - 2024

Una collezione Smart di nome e di fatto, costituita da divano, dondolo, poltrona, poltroncina e sgabello con sedute rivestite in tessuto tecnico brevettato Varaschin. Tutti gli elementi del programma presentano schienali in cordino sintetico, intrecciato secondo uno schema arioso, in accordo con il design delle robuste e leggere strutture in alluminio verniciato a polveri, impostato sul contrappunto tra curve e diagonali.

A Smart collection in name and in fact, consisting of a sofa, rocking chair, armchair, dining armchair and stool with seats covered in Varaschin patented technical fabric. All the elements of the program have backrests in synthetic cord, woven according to an airy pattern, in accordance with the design of the sturdy and light structures in powder-coated aluminum, set on the counterpoint between curves and diagonals.

SMART

DONDOLO POLTRONA LOUNGE SMART / SMART ROCKING LOUNGE ARMCHAIR

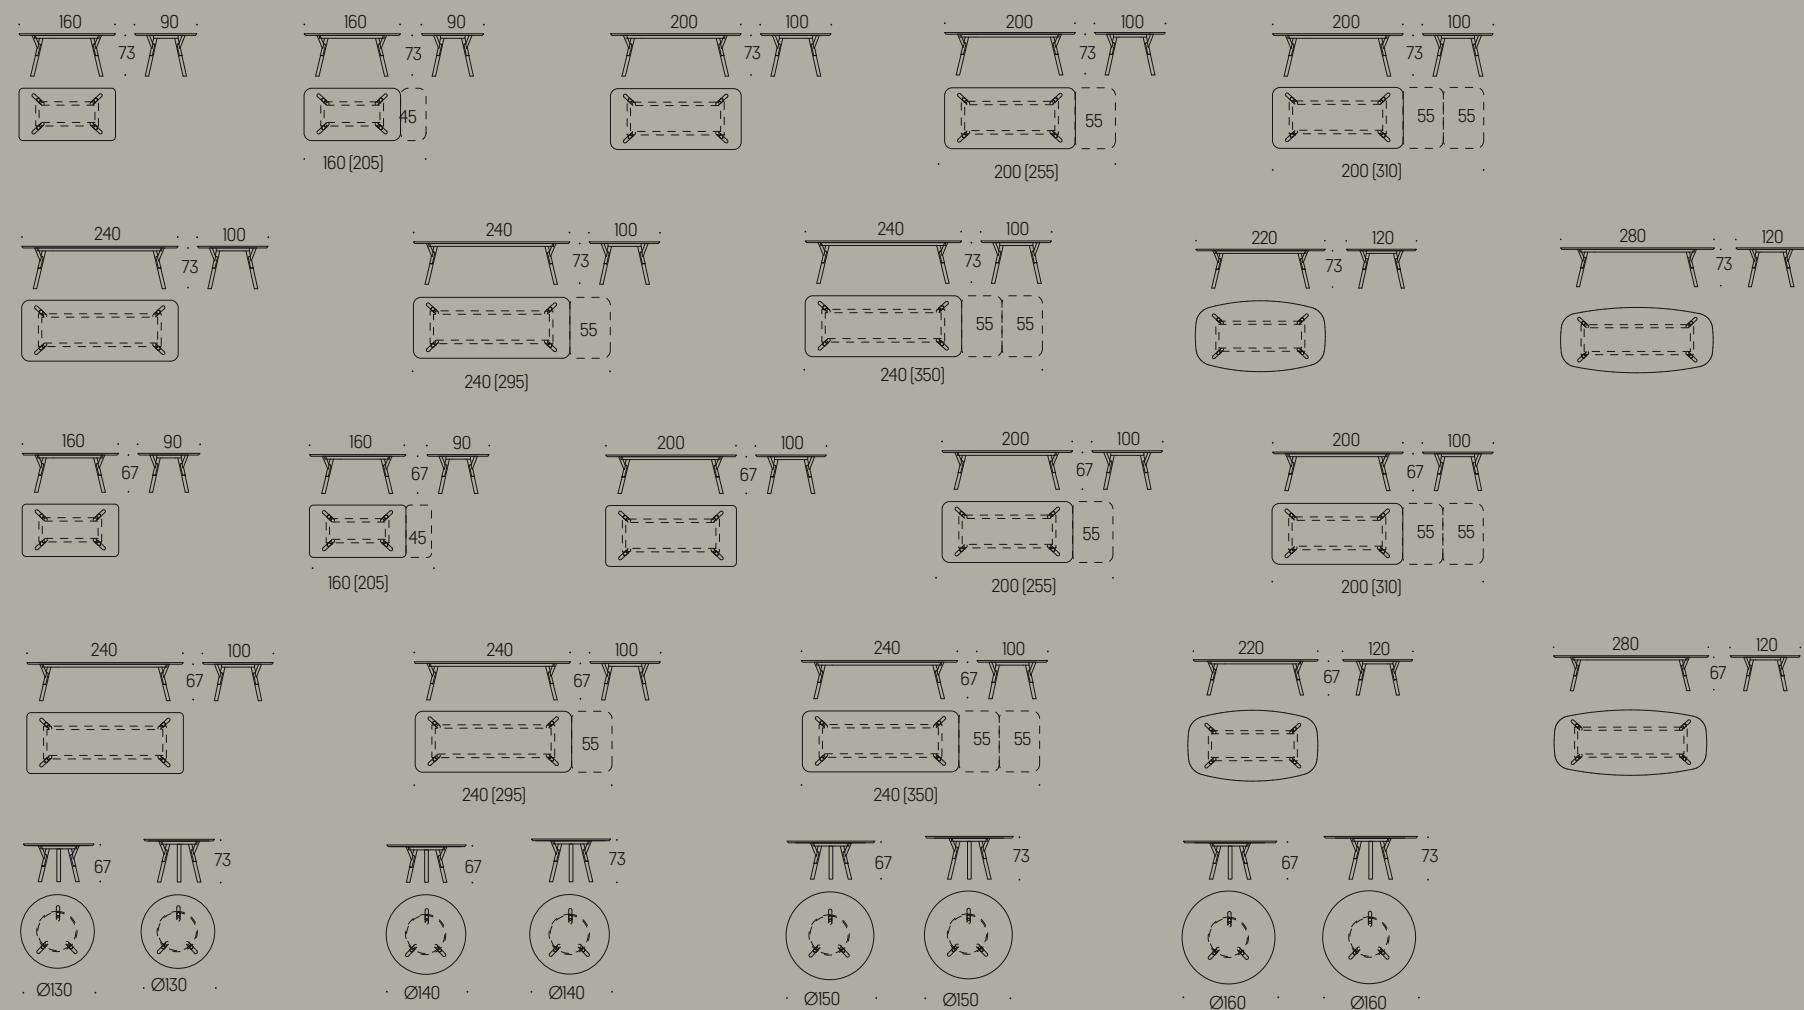

LINK

DESIGN ALAIN GILLES

Tavoli fissi o allungabili con struttura in metallo verniciato a polveri, gambe anch'esse in metallo o teak, e piani in ceramica, hpl o teak. Alla grande varietà dei materiali, punto di incontro tra estetica e prestazioni, fa eco in Link l'estrema varietà di opzioni in termini di forma e dimensioni. Da ciò la capacità di vivere d'amore e d'accordo con gli ambienti outdoor più diversi per conformazione e intonazione stilistica.

Fixed or extendable tables with powder coated metal structure, legs also in metal or teak, and tops in ceramic, hpl or teak. The great variety of materials, the meeting point between aesthetics and performance, is echoed in Link by the extreme variety of options in terms of shape and size. Hence the ability to live in harmony with the most diverse outdoor environments in terms of conformation and stylistic intonation.

Circondarsi di forme
che coccolano
anche lo sguardo.

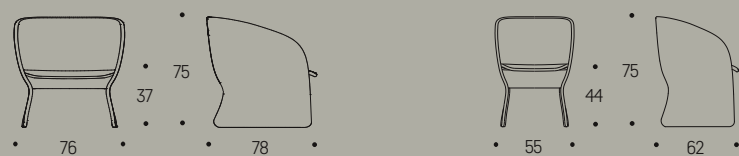

Surround yourself
with styles that also
pamper the eye.

MAAT

DESIGN PHILIPPE BESTENHEIDER

LANDSCAPES 2023 - 2024

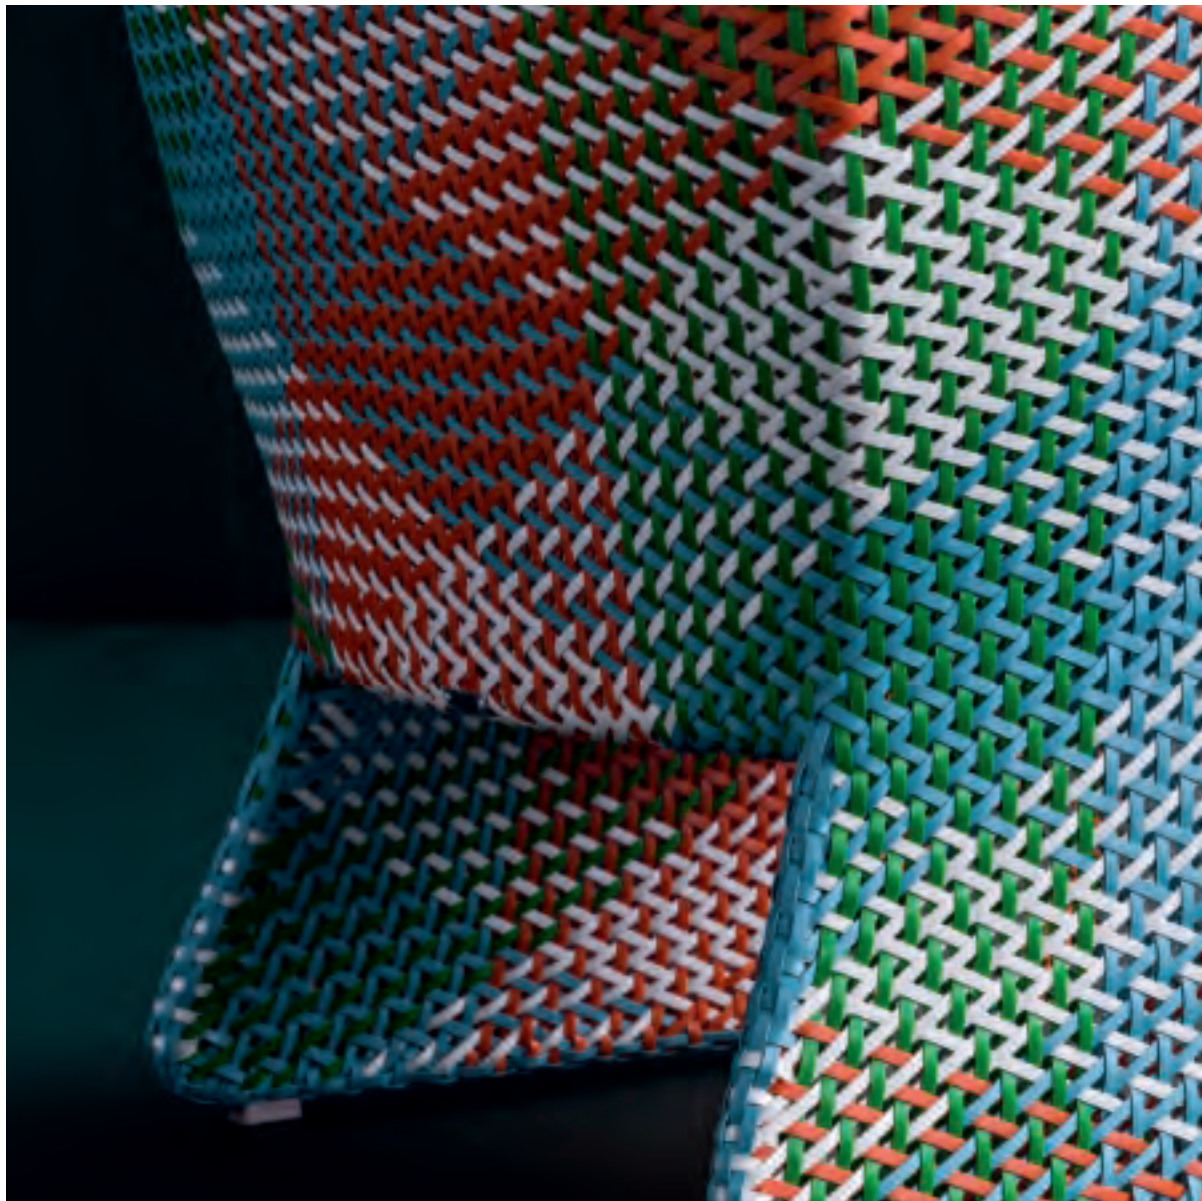

Poltrona lounge e poltroncina Maat, ovvero un design morbido, che modella i volumi in modo sinuoso e avvolgente, unendo creatività effervescente e comfort assoluto. Tratto dominante, l'intreccio a trama larga in fibra sintetica, eseguito a mano secondo un pattern decorativo di gusto geometrico, impreziosito da accostamenti cromatici impostati sul dialogo tra colori raffinementemente vivaci o elegantemente terrosi.

Maat lounge armchair and dining armchair, that is a soft design, which shapes the volumes in a sinuous and enveloping way, combining effervescent creativity and absolute comfort. The dominant feature is the wide-weave intertwining in synthetic fiber, made by hand according to a decorative pattern with a geometric taste, embellished with color combinations set on the dialogue between elegantly bright or elegantly earthy colors.

MAAT

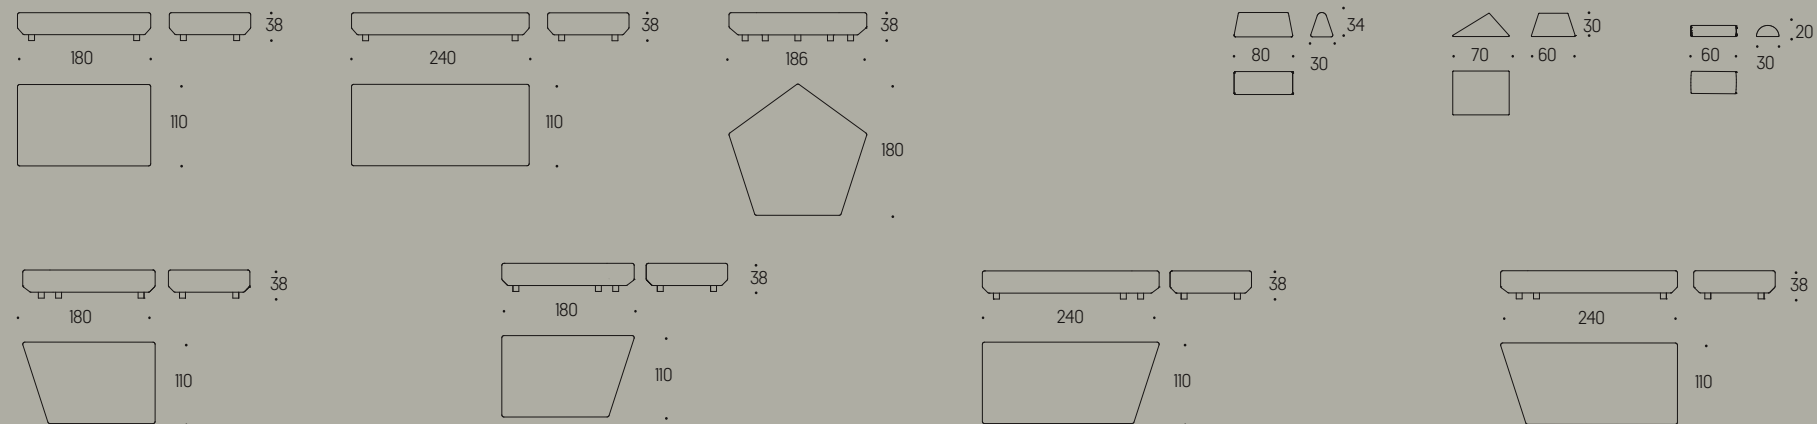

BENTO

DESIGN CALVI BRAMBILLA

LANDSCAPES 2023 - 2024

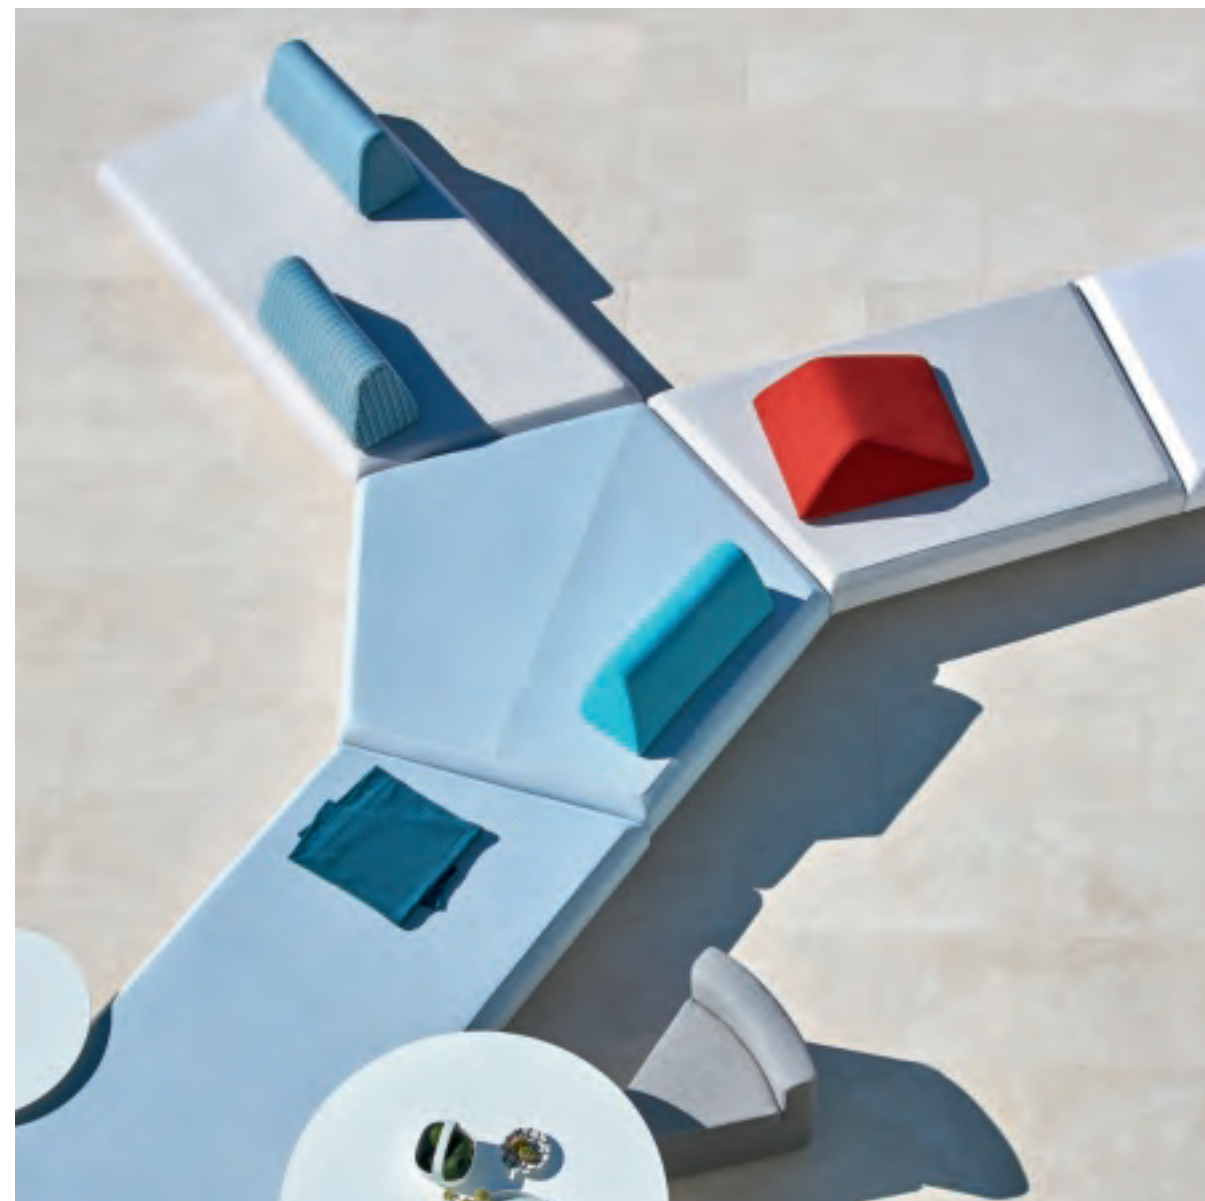

Un sistema di divani modulari di gusto contemporaneo e cosmopolita, in cui basi rettangolari, trapezoidali e pentagonali si uniscono liberamente creando una grande varietà di composizioni. Caratteristici della collezione anche i moduli schienale e bracciolo, dal design semplice e geometrico, da posizionare a piacere. Il legno di okumè marino e i tessuti resistenti agli agenti atmosferici consentono a Bento di vivere perfettamente a suo agio anche in ambienti umidi e ad alta salinità.

A system of modular sofas with a contemporary and cosmopolitan taste, in which rectangular, trapezoidal and pentagonal bases come together freely, creating a great variety of compositions. Characteristic of the collection are also the backrest and armrest modules, with a simple and geometric design, to be positioned as desired. The marine okumè wood and the weather-resistant fabrics allow Bento to live perfectly at ease even in humid and high salinity environments.

BENTO

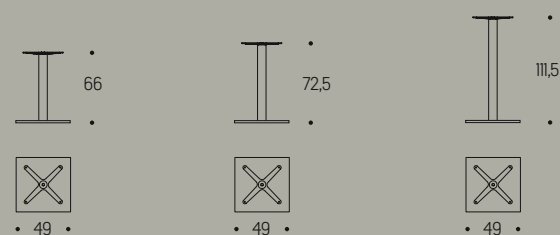

TIGHT

DESIGN R&D VARASCHIN

LANDSCAPES 2023 - 2024

Quella di riuscire a sostenere nel migliore dei modi top di diverse forme e realizzati con diversi materiali è una missione importante, che le basi per tavolini da esterno Tight compiono in modo egregio. Tratto che spicca è lo stelo in acciaio a sezione quadrata, riuscita sintesi di design e robustezza, poggiante su un elemento piatto quadrato fissato al piano mediante crociera. La verniciatura a polveri e il trattamento di cataforesi assicurano ottima resistenza agli agenti atmosferici.

Being able to support tops of different shapes and made with different materials in the best possible way is an important mission, which the bases for Tight outdoor tables accomplish in an excellent way. The main feature is the square-section steel stem, a successful synthesis of design and sturdiness, resting on a flat square element and fixed to the top by means of a cross. The powder coating and the cataphoresis treatment ensure excellent resistance to atmospheric agents.

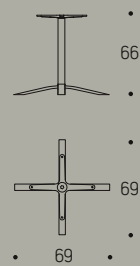

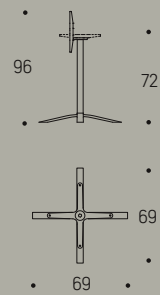

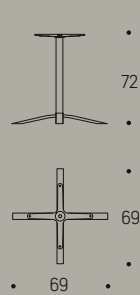

TIGHT

BLADE

DESIGN R&D VARASCHIN

LANDSCAPES 2023 - 2024

Piani con silhouette sia rotonde che quadrate e in materiali diversi possono contare sul solido ed elegantemente lineare sostegno delle basi per tavolini outdoor Blade, formate da quattro razze su cui si innesta uno stelo fissato al piano tramite crociera. Il tutto in acciaio, garanzia di robustezza assoluta, trattato con cataforesi e verniciato a polveri per contrastare al meglio gli agenti atmosferici.

Tops with both round and square silhouettes and in different materials can count on the solid and elegantly linear support of the Blade outdoor coffee table bases, formed by four spokes on which a stem fixed to the top by cross is inserted. All in steel, a guarantee of absolute sturdiness, treated with cataphoresis and powder coated to better contrast atmospheric agents.

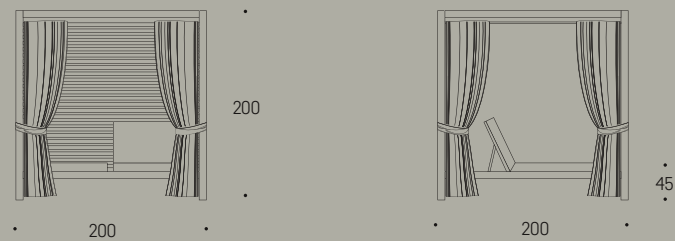

BLADE

BIVACCO

DESIGN R&D VARASCHIN

LANDSCAPES 2023 - 2024

Valorizzare gli spazi esterni e rendere speciali i momenti di relax in spiaggia, a bordo piscina o in giardino: Bivacco, riedizione in chiave contemporanea del classico gazebo, dotato di una stabile e leggera struttura lineare in alluminio verniciato a polveri, punta proprio a questo. La soluzione ideale per vivere il benessere outdoor in coppia, riparati dalle tende fissate su tre lati e dal tettuccio parasole.

Enhancing outdoor spaces and making relaxing moments at the beach, poolside or in the garden special: Bivacco, a contemporary re-edition of the classic gazebo, equipped with a stable and light linear structure in powder-coated aluminum, aims precisely at this. The ideal solution for enjoying outdoor well-being as a couple, sheltered by the awnings fixed on three sides and the sun canopy.

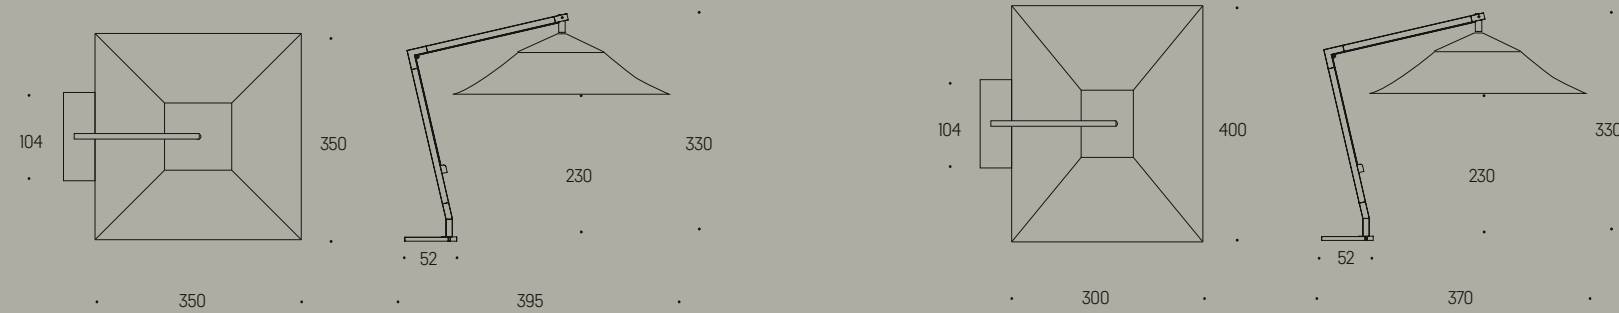

BIVACCO

COPACABANA

DESIGN R&D VARASCHIN

Un ombrellone tanto robusto quanto elegantemente poco invasivo. Copacabana è perfetto per regalare ombra a bordo piscina e offrire riparo dal sole ai tavoli negli esterni di bar e ristoranti. La struttura, in alluminio anodizzato e acciaio, è saldamente ancorata al terreno mediante due basi da 65 kg ciascuna.

An umbrella as robust as it is elegantly minimally invasive. Copacabana is perfect for giving shade by the pool and providing shelter from the sun. The structure, in anodized aluminum and steel, is firmly anchored to the ground by means of two 65 kg bases.

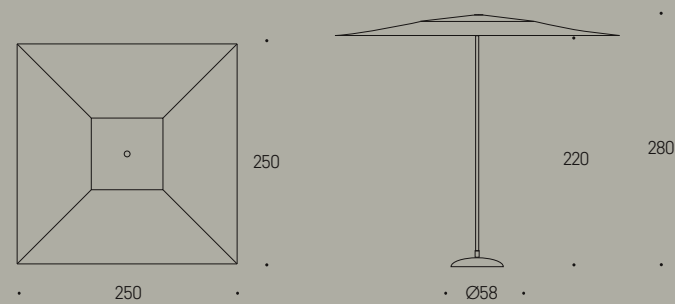

AMALFI

DESIGN R&D VARASCHIN

L'ombrellone con stelo centrale e tendaggio quadrato Amalfi unisce grande praticità, stabilità e versatilità estetica. Disegnato pensando alle piscine, riesce a dare il meglio di sé anche negli spazi esterni di bar e ristoranti.

The Amalfi umbrella with central stem and square curtain combines great practicality, stability and aesthetic versatility. Designed thinking about poolside areas, it manages to give its best even in the outdoor spaces of bars and restaurants.

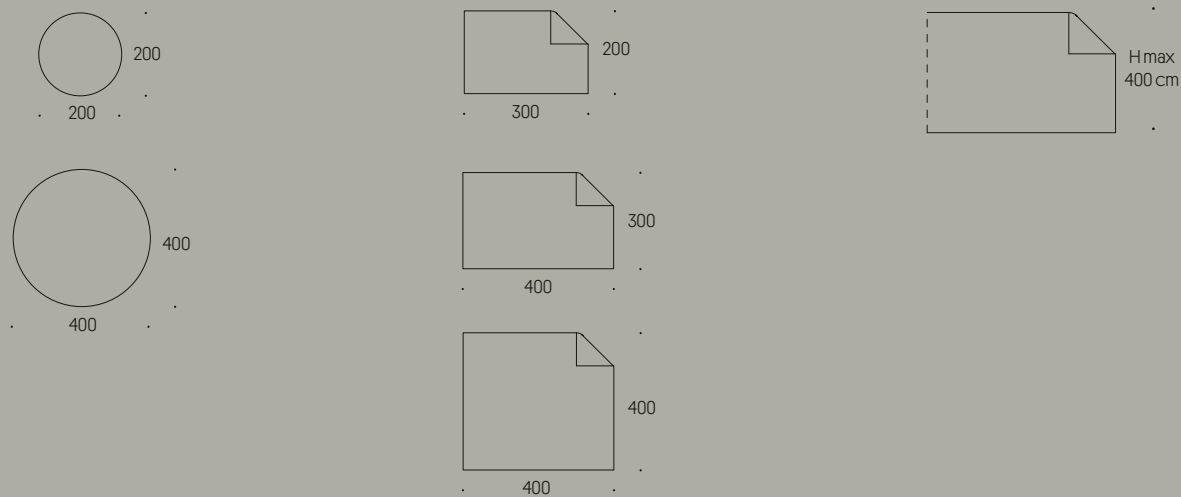

AMALFI

CARPET

DESIGN R&D VARASCHIN

LANDSCAPES 2023 - 2024

Tappeti per esterni antimacchia, realizzati al 100% in polipropilene e realizzati impiegando la caratteristica lavorazione tubolare costa inglese. Rettangolari, quadrati o circolari, con diverse grandezze e diametri, gli articoli della collezione Carpet sono proposti nei colori grigio, taupe e bronzo.

Stain-resistant outdoor rugs, 100% polypropylene, are made by using the characteristic English rib tubular processing. Rectangular, square or circular, with different sizes and diameters, the items in the Carpet collection are available in gray, taupe and bronze.

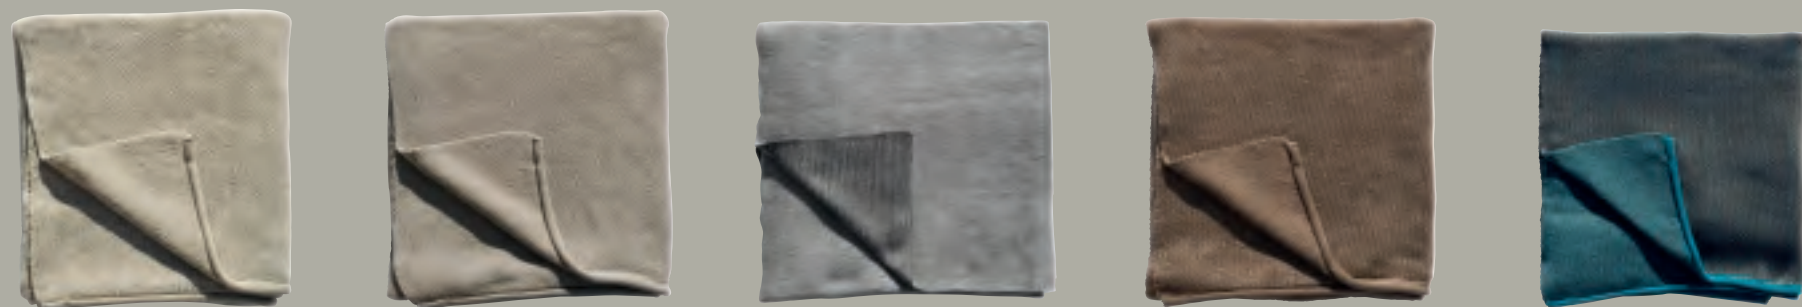

CARPET

TRAMA

DESIGN R&D VARASCHIN

LANDSCAPES 2023 - 2024

Coperte da esterno, morbide compagne del relax outdoor quando l'aria si fa più frizzante. Numerose le varianti e altrettanti i colori: bianco, tortora, grigio, ottanio/bronzo e bronzo/tabacco. Realizzate al 100% in Olyna con lavorazione maglia rasata, le coperte Trama sono tutte antimacchia e antibatteriche.

Outdoor blankets, soft companions for outdoor relaxation when the air becomes brisk. Numerous variants and as many colors: white, taupe, grey, teal/bronze and bronze/tobacco. Made from 100% Olyna with stockinette stitching, Trama blankets are all stain-resistant and antibacterial.

TRAMA

COVER

DESIGN R&D VARASCHIN

LANDSCAPES 2023 - 2024

Proteggere gli arredi outdoor per preservarne sempre intatta la bellezza e la durata. I teli di copertura in poliestere e poliuretano Cover, realizzati su misura per adattarsi a tutti gli elementi di arredo Varaschin, sono studiati per farlo nel miglior modo possibile.

Protect outdoor furniture to always preserve its beauty and durability intact. The cover sheets in polyester and polyurethane, made to measure in order to adapt to all the Varaschin furniture, are designed to do it in the best possible way.

RICERCA MATERIALI E MOODBOARD / MATERIALS RESEARCH AND MOODBOARDS

TESSUTI

DESIGN R&D VARASCHIN

Materia che genera un ricchissimo repertorio di sensazioni tattili. Trame e orditi che accarezzano lo sguardo. Idrorepellenza assoluta, a prova di meteo. I tessuti acrilici che selezioniamo rappresentano tutto questo. E non solo. La palette cromatica offre, infatti, una libertà di personalizzazione pressoché infinita, quasi 220 varianti, ciascuna disponibile per ogni singola collezione. Valida alleata dei rivestimenti è la gomma drenante Dryfeel®, concepita appositamente per uso esterno, impiegata in tutte le imbottiture di sedute, schienali e cuscini.

Matter that generates a very rich repertoire of tactile sensations. Wefts and warps that caress the eye. Absolute water repellency, weather proof. The acrylic fabrics we select represent all of this. And not only. The color palette offers, in fact, an almost infinite freedom of customization, almost 220 variations, each available for every single collection. A valid ally of the coverings is the Dryfeel® draining foam, specially designed for outdoor spaces, used in all the padding of seats, backrests and cushions.
