EXTENDO

DESIGN SOURCE

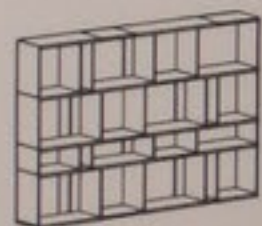

Extendo è un'azienda italiana specializzata nella progettazione e produzione di prodotti per l'interior design. Realizziamo i nostri prodotti utilizzando materie prime che derivano da un processo di riutilizzo e sono a loro volta riciclabili. Tutti i nostri prodotti sono realizzati localmente, 100% made in Italy.

Extendo is an Italian company specialized in design and production of interior products. We make our products with materials that come from a re-use process and are recyclable in a second life product. All our products are realized locally, 100% made in Italy.
