Ognuno ha una favola dentro, che non riesce a leggere da solo. Ha bisogno di qualcuno che, con la meraviglia e l'incanto negli occhi, la legga e gliela racconti.

Everyone has a hidden story, one that's impossible to read alone. Someone else is needed, someone who with wonder and magic in their eyes can read and narrate it.

Pablo Neruda

Noi proviamo a raccontarne alcune...
We try telling some of them...
